GROOMING SPACES: The grooming areas open to exhibitors not earlier than 2PM on Tuesday. Breeds exhibiting in Rings 10-12 should use grooming space in Hall D. All other conformation crating space is in Hall A. Electricity is free and available in all areas within range of a 100-foot extension cord.

Reserved preferred spaces in Halls A and D are available by pre-registration. Spaces may be reserved without limit on a first come, first served basis. Each 5 x 6 ft space is \$40 by online order or \$45 by mail order for the entire cluster. The fee for one space per person is waived for breeds conducting **SPECIALTIES ONLY**. See separate form on p.10 to reserve preferred space. **EVEN IF NO FEE IS DUE, A FORM MUST BE SENT** so that a space will be reserved in the specialty section for that breed.

The remaining free space is available on a first come, first served basis. No reserving of space in the free section will be permitted. Stacking of crates is encouraged.

BCKC, SJKC, and VFKC will not be responsible for any injury or loss that occurs during or results from the use of overnight crating. Such use is entirely at the owner's risk.

RV PARKING is \$120 by online order or \$130 by mail order REGARDLESS OF DURATION and by pre-registration only. 4-6 MONTH BEGINNER PUPPY

WEDNESDAY THROUGH SUNDAY

Bring your 4-6 month puppies: We're holding an AKC-sanctioned Beginner Puppy Special Attraction **prior to regular judging each day, Wednesday through Sunday.** *Plan on an early start.*

One class will be offered for each breed and variety of dogs that are at least four months and under 6 months in each Group as described in Chapter 3, Section 1; and in the Miscellaneous Class as described in Chapter 3, Section 23 of *Rules Applying to Dog Shows*. Foundation Stock Service (FSS) breeds may also compete as a group. There will be a selection of Best of Breed Puppy and Best of Opposite to Best of Breed Puppy in each breed/variety. All Best of Breed Puppy winners will then compete in their respective group (including Miscellaneous Class and "FSS Group") for First through Fourth. The Miscellaneous Group and FSS Group winners will be eligible to compete in Best 4-6 Month Puppy in Show.

An AKC registration number is required for entries of an AKC-recognized breed. FSS number or FSS registered litter number is required for Miscellaneous and FSS breed entries. Dogs are required to be vaccinated in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized. *AKC Rules Dealing with Misconduct* will be applicable to person and dog entered at this competition. All applicable rules found in *Rules Applying to Dog Shows* will govern the conduct of this competition unless these regulations state otherwise.

Exhibitor should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight, or dentition shall not be a point of consideration in the judging process for this 4-6 Month Beginner Puppy Special Attraction event.

The AKC Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. This series of special competitions is offered at dog shows across the country.

All dogs that are owner-handled and not owned or exhibited by professional handlers meet the requirements for this competition. Exhibitors must declare their dog is owner-handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book. **Dogs must be handled throughout the competition by an eligible owner. Professional handlers may not exhibit the dog in any competition during the entire show.**

The Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch, and winners of the non-regular classes as follows:

- If the Best of Breed/Variety winner is owner-handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety, and be eligible to compete in both the regular and owner-handled group.
- If the Best of Breed/Variety winner is Owner-Handled competition ineligible, and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible undefeated exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If the Best of Breed/Variety and the Best of Opposite Sex to Best of Breed/Variety are both ineligible, and Select Dog and Select Bitch are both eligible, the judge is to choose the Owner-Handled Best of Breed/Variety from the Selects and eligible Winners Dog and/or Winners Bitch.
- If only one of the Selects is eligible, all other dogs of the same sex shall be excused, and the judge is to choose Owner-Handled Best of Breed/Variety from the remaining dogs including the eligible Winners Dog/Bitch.
- If Best of Breed/Variety, Best of Opposite Sex to Best of Breed/Variety, Select Dog, and Select Bitch are ineligible, the judge may choose any dog remaining in the ring including Winners Dog and Winners Bitch as Owner-Handled Best of Breed/Variety.

A breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed/Variety or in the Best of Winners competition.

** Professional handlers are defined as any person who belongs or has belonged to a 'professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay, or received payment for handling a dog within the last five years.*
