Welcome!

It's been ten years since the 2014 National was here in Ohio: The Heart of it All. Those words are so appropriate because our Tervs are our hearts. Now we are back in Ohio with our Tervs, showcasing their Boundless abilities, devotion and beauty. Terv teams deserve a National, love their National, and look forward to their National. When you see one of our incredible 2024 National volunteers, please thank them. They have worked hard, persevered and made it through. These are the people who share many of the greatest traits of their hardworking, enthusiastic and fun-loving Terv partners.

We are always happy to see distant friends and excited to meet our newcomers. Please meet, mix, mingle, ask, introduce, question, join and enjoy showcasing your Terv partner. Nothing supersedes your breed National. We welcome you all.

May we all be as good of a partner as our Tervuren, they set high standards.

Welcome!

Brooke Cole and the Boundless 2024 Volunteers

The ABTC is proud to dedicate the 2024 National Specialty to our longtime friend, Debbie Dawe.

Despite serious health issues for much of her life, she was never without a sunny disposition with a ready smile, and always kindness shown toward others.

She was a longtime breeder and judge, and just 3 years short of being a 50-year member, but best of all, she was a friend.

She will be missed.

SCHEDULE OF POINTS FOR DIVISION 5 — EFFECTIVE MAY 15, 2024

Division 5 is comprised of: Indiana, Kentucky, Ohio

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of **both** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of **its own sex** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Belgian Tervuren	2	2	3	3	4	4	5	5	7	7

Official Standard of the Belgian Tervuren

General Appearance: The first impression of the Belgian Tervuren is that of a well-balanced, medium-size dog, elegant in appearance, standing squarely on all fours, with proud carriage of head and neck. He is strong, agile, well-muscled, alert and full of life. He gives the impression of depth and solidity without bulkiness. The male should appear unquestionably masculine; the female should have a distinctly feminine look and be judged equally with the male. The Belgian Tervuren is a natural dog and there is no need for excessive posing in the show ring. The Belgian Tervuren reflects the qualities of intelligence, courage, alertness and devotion to master. In addition to his inherent ability as a herding dog, he protects his master's person and property without being overtly aggressive. He is watchful, attentive, and usually in motion when not under command. The Belgian Tervuren is a herding dog and versatile worker. The highest value is to be placed on qualities that maintain these abilities, specifically, correct temperament, gait, bite and coat.

Size, Proportion, Substance: The ideal male is 24 to 26 inches in height and female 22 to 24 inches in height measured at the withers. Dogs are to be penalized in accordance to the degree they deviate from the ideal. Males under 23 inches or over 26½ inches or females under 21 inches or over 24½ inches are to be disqualified. The body is square; the length measured from the point of shoulder to the point of the rump approximates the height. Females may be somewhat longer in body. Bone structure is medium in proportion to height, so that he is wellbalanced throughout and neither spindly or leggy nor cumbersome and bulky.

Head: Well-chiseled, skin taut, long without exaggeration. Expression intelligent and questioning, indicating alertness, attention and readiness for action. Eyes dark brown, mediumsize, slightly almond shape, not protruding. Light, yellow or round eyes are a fault. Ears triangular in shape, well-cupped, stiff, erect; height equal to width at base. Set high, the base of the ear does not come below the center of the eye. Hanging ears, as on a hound, are a disqualification. Skull and muzzle measuring from the stop are of equal length. Overall size is in proportion to the body, top of skull flattened rather than rounded, the width approximately the same as but not wider than the length. Stop moderate. The topline of the muzzle is parallel to the topline of the skull when viewed from the side. Muzzle moderately pointed, avoiding any tendency toward snipiness or cheekiness. Jaws strong and powerful. Nose black without spots or discolored areas. Nostrils well defined. Lips tight and black, no pink showing on the outside when mouth is closed. Teeth - Full complement of strong white teeth, evenly set, meeting in a scissors or a level bite. Overshot and undershot teeth are a fault. An undershot bite such that there is a complete loss of contact by all the incisors is a disqualification. Broken or discolored teeth should not be penalized. Missing teeth are a fault. Four or more missing teeth are a serious fault.

Neck, Topline, Body: Neck round, muscular, rather long and elegant, slightly arched and tapered from head to body. Skin well-fitting with no loose folds. Withers accentuated. Topline level, straight and firm from withers to croup. Body - Croup medium long, sloping gradually to the base of the tail. Chest not broad without being narrow, but deep; the lowest point of the brisket reaching the elbow, forming a smooth ascendand curve to the abdomen. Abdomen moderately developed, neither tucked up nor paunchy. Ribs well-sprung but flat on the sides. Loin section viewed from above is relatively short, broad and strong, but blending smoothly into the back. Tail strong at the base, the last vertebra to reach at least to the hock. At rest the dog holds it low, the tip bent back level with the hock. When in action, he may raise it to a point level with the topline giving it a slight curve, but not a hook. Tail is not carried above the backline nor turned to one side. A cropped or stump tail is a disqualification.

Forequarters: Shoulders long, laid back 45 degrees, flat against the body, forming a right angle with the upper arm. Top of the shoulder blades roughly two thumbs width apart. Upper arms should move in a direction exactly parallel to the longitudinal axis of the body. Forearms long and well-muscled. Legs straight and parallel, perpendicular to the ground. Bone oval rather than round. Pasterns short and strong, slightly sloped. Dewclaws may be removed. Feet rounded, cat footed, turning neither in nor out, toes curved close together, well-padded, strong nails. **Hindquarters:** Legs

powerful without heaviness, moving in the same pattern as the limbs of the forequarters. Bone oval rather than round. Thighs broad and heavily muscled. Stifles clearly defined, with upper shank at right angles to hip bones. Hocks moderately bent. Metatarsi short, perpendicular to the ground, parallel to each other when viewed from the rear. Dewclaws are removed. Feet slightly elongated, toes curved close together, heavily padded, strong nails.

Coat: The Belgian Tervuren is particularly adaptable to extremes of temperature or climate. The guard hairs of the coat must be long, close-fitting, straight and abundant. The texture is of medium harshness, not silky or wiry. Wavy or curly hair is a fault. The undercoat is very dense, commensurate, however, with climatic conditions. The hair is short on the head, outside the ears, and on the front part of the legs. The opening of the ear is protected by tufts of hair. Ornamentation consists of especially long and abundant hair, like a collarette around the neck, particularly on males; fringe of long hair down the back of the forearm; especially long and abundant hair trimming the breeches; long, heavy and abundant hair on the tail. The female rarely has as long or as ornamented a coat as the male. This disparity must not be a consideration when the female is judged against the male.

Color: Body rich fawn to russet mahogany with black overlay is ideal and preferred. Predominate color that is pale, washed out cream or gray is a fault. The coat is characteristically double pigmented whereby the tips of fawn hairs are blackened. Belgian Tervuren characteristically become darker with age. On mature males, this blackening is especially pronounced on the shoulders, back and rib section. Blackening in patches is a fault. Although allowance should be made for females and young males, absence of blackening in mature dogs is a serious fault. Chest is normally black, but may be a mixture of black and gray. White is permitted on the chest/sternum only, not to extend more than 3 inches above the prosternum, and not to reach either point of shoulder. Face has a black mask and the ears are mostly black. A face with a complete absence of black is a serious fault. Frost or white on chin or muzzle is normal. The underparts of the body, tail, and breeches are cream, gray, or light beige. The tail typically has a darker or black tip. Feet - The tips of the toes may be white. Nail color may vary from black to transparent. Solid black, solid liver or any area of white except as specified on the chest, tips of the toes, chin and muzzle are disqualifications.

Gait: Lively and graceful, covering the maximum ground with minimum effort. Always in motion, seemingly never tiring, he shows ease of movement rather than hard driving action. He single tracks at a fast gait, the legs both front and rear converging toward the centerline of gravity of the dog. Viewed from the side he exhibits full extension of both fore and hindquarters. The backline should remain firm and level, parallel to the line of motion. His natural tendency is to move in a circle, rather than a straight line. Padding, hackneying, weaving, crabbing and similar movement faults are to be penalized according to the degree with which they interfere with the ability of the dog to work.

Temperament: In his relationship with humans he is observant and vigilant with strangers, but not apprehensive. He does not show fear or shyness. He does not show viciousness by unwarranted or unprovoked attack. He must be approachable, standing his ground and showing confidence to meet overtures without himself making them. With those he knows well, he is most affectionate and friendly, zealous for their attention and very possessive.

Faults: Any deviation from these specifications is a fault. In determining whether a fault is minor, serious, or major, these two factors should be used as a guide: 1. The extent to which it deviates from the standard. 2. The extent to which such deviation would actually affect the working ability of the dog. Disqualifications: Males under 23 inches or over 26½ inches or females under 21 inches or over 24½ inches. Hanging ears, as on a hound. An undershot bite such that there is a complete loss of contact by all the incisors. A cropped or stump tail. Solid black, solid liver or any area of white except as specified on the chest, tips of the toes, chin, and muzzle.

Approved January 9, 2007 Effective March 1, 2007

ABTC Code of Ethics

Approved by ABTC Membership 2/15/2020

Objective & Purpose: To promote cooperation and cordial, mutually supportive relations among members of the American Belgian Tervuren Club, to promote conscientious and responsible ownership of the breed, and to encourage high ethical standards in the breeding, training, and competition of Tervuren. Members shall act solely in the best interests of the breed in all situations, and shall assist and encourage any other member or non-member in upholding these interests.

1. I will appreciate the unique nature of the Belgian Tervuren and will work to develop the characteristics this breed has inherited through selective breeding.

2. I will be responsible and care for my dogs in a manner that promotes their robust mental and physical health. I will ensure that all dogs in my care receive nutritious food and fresh water, shelter, exercise, socialization, training, human companionship, and appropriate veterinary care; in this way, I will strive to bring each dog to its full potential as a companion and in whatever other areas or activities are chosen.

3. I will educate myself about the Belgian Tervuren, the breed's history and function, the AKC Breed Standard, health concerns, socialization and training. I will support and abide by the rules of the ABTC and AKC.

4. I will act with responsible and courteous behavior as a representative of the ABTC in both face-to-face encounters and in social media. I will respectfully communicate thoughts and opinions and refrain from unnecessary or unsubstantiated criticism of other members, breeders, their dogs or dogs of their breeding, the ABTC and/or the ABTC Board. I will endeavor to display the integrity, kindness, and sense of humor that typify the Belgian Tervuren breed. This includes having control of my dog at all times, cleaning up after my dog in public places, and leaving public facilities in the same condition in which they were found.

5. I will be honest. I will truthfully and realistically represent my Belgian Tervuren in terms of quality, health and genetic history.

6. If I choose to breed, I will educate myself about genetic problems, heritable disorders, breeding, whelping, raising puppies, and socialization. Prior to breeding, I will carefully consider the health and condition, temperament, and conformity to the breed standard of the stud dog and bitch, and ensure that appropriate health checks have been obtained. I will use my knowledge with the goal of producing physically and temperamentally healthy, sound, quality Belgian Tervuren.

7. I will undertake breeding with a lifelong commitment to every dog I produce, whether I am the breeder or stud dog owner. Ways to provide lifetime support might include providing documentation (health checks, vaccination records, pedigree, educational materials) to owners; assisting and encouraging owners to register with the AKC; considering the use of Limited Registration when applicable; ensuring continued contact with puppy buyers over the lifetime of the dog; and promising to take back the puppy/dog at any time or assist the owner with placement.

8. I will not wholesale litters, or knowingly sell to pet dealers, catalog houses, or other sources of commercial distribution. I will not donate or sell dogs for research, unless it is to study a specific breed defect by a veterinarian recognized by the ABTC. I will not engage in the overbreeding of stock for profit without regard for quality and health. I will not abandon or surrender a Tervuren dog, puppy or litter to an animal shelter or similar facility.

9. I shall endeavor to share information or knowledge and to assist newcomers and others who exhibit a sincere interest in the Belgian Tervuren breed.

10. I will be a guardian of the spirit, health, and well-being of the Belgian Tervuren. Should I become aware of the mistreatment, abuse, or need for relocation of any Belgian Tervuren, I will make every effort to be of assistance by notifying the breeder, the local authorities, and Belgian Tervuren Rescue, Inc., and by helping in any other way in which I am able.

By joining the American Belgian Tervuren Club, I accept this Code in its entirety. I recognize that this Code describes general conduct and that individual situations may arise that are not specifically mentioned; in those situations, I will endeavor to protect the interests of the breed by conducting myself courteously, respectfully, responsibly, and in a manner that reflects credit on myself, the Belgian Tervuren breed, and the American Belgian Tervuren Club.

"A well-balanced Tervuren has a CH on one end and a UDT on the other."

Kathy Wagner Conformation Judge

What a honor to be able to judge a National Speciality. I have had dogs all my life and began raising and showing German shepherds in the 1980s under the Shumakerhill kennel name. In the spring of 92 I was fortunate to find a Tervuren that needed a new home. His call name was Bach (CH Rockaway's Silver Wings CGC TDI) he soon became my first Belgian Champion. Bach was a beautiful, intelligent dog and great with my family. I so wanted to find a perfect female for him so it was time to learn more. Thank goodness for the people of this breed to help me with this with phone calls, books, mentoring and pedigrees.

We imported a female from Canada her call name was Tessa (CH Norhealth's Caprice D'Atim C-P Bar). Our First litter of only three was Tory (CH Shumaker Hill's Bedtime Story C-Bar) Tory won BOS National Specialty 1998 at the young age of 18 months, she was also a multigroup winner. Her sister Wyne (CH Shumaker Hill's Just-A-Wyne Pooh C-Bar) was also a champion and became a wonderful producer. Their brother Bart (CH Shumaker Hill's Desperado) became a multigroup winner, and was also a BIS dog, ranked #1 Tervuren 2002 & 2003. I was so proud to be their breeder.

Through the years we have produced limited litters that adhere to the Belgian standard, with multi champions, group winners, national specialty ROM's. Along with that we also have had multiple agility, obedience and herding titled dogs. Thank You to all our owners. I have been a member of our local kennel club for over 34 years. Participating in teaching conformation classes, serving on the board and as their show chair. I also served as a professional steward for many years.

In 2008, Mike and I decided to file for our judging license. We can judge the 4 Belgian breeds, and I also judge junior showmanship. We share our home currently with Silla & Kasey, both Bach and Tessa great grand kids.

The past through present, looks like this for me. A student, a breeder, exhibitor, AKC judge and a mentor to those who want to learn. I would like to thank all who made this possible to achieve. You are my lifelong friends, and some are my family.

Thank you for the privilege to judge the 2024 national.

Now let's have some fun! It's that time of the year!

Kathy

Michael Wagner
Non-Regular Classes, 4-6 Mos Beginner Puppy Judge

It is an honor to be a part of the judging panel for the 2024 National Specialty. All my life I have had multiple breeds of dogs, and began showing German Shepherds in the 1980's. In 1992 we were fortunate enough to give our first Belgian Tervuren his new home. Bach (CH Rockaway's Silver Wings) who also obtained his BAR, became the beginning of a breed that we would love through our lives and careers.

Under the kennel name Shumaker Hill Tervuren, and now with over 30 years of our breeding program behind us, we have been successful in the conformation ring with BIS dogs, #1 ranked Tervuren, multiple Group Winners, BOS at National Specialty, and multiple dogs with Conformation BAR titles, and thanks to our puppy owners, multiple performance-titled dogs in agility, obedience, and herding.

In 2008, I became an AKC judge for the Belgian breeds and will continue to finish the herding group. While enjoying this endeavor, Kathy and I have made many lifetime friends from all over the country. Currently, I still have two tervs living at home, Kasey and Silla.

Thank you for the opportunity and pleasure of judging the non-regular conformation classes at our 2024 National Specialty. I hope everybody has a great time at the Roberts Centre, a beautiful venue.

Andrea Debbins Sweepstakes Judge

Growing up, I always had animals – dogs, cats, guinea pigs, snakes, rats, frogs, and even a few tanks of Bettas, which my brother and I would breed. It is no wonder, that as an adult, I would have a life that would revolve around dogs. My first ‘grown-up’ dog was an independent

and wickedly smart Samoyed.

Through her, I realized I wanted a more devoted breed and one that was easier to keep clean. My first Tervuren came into my life in 1992, and I have never looked back. Tycho wasn't an easy dog, but he taught me many lessons. My next Tervuren, AKC Ch Revel van het Smetenhof, was my first foray into the show ring. Through him, I met many wonderful people in the US and worldwide.

In 1999, BIS/BISS AKC/UKC Ch Blackwater Partez at Peloton came into my life, and Dash has taken me on a wonderful ride. She has had a wonderful show career, and her wins, which include a National Specialty BOB and multiple AKC

Best in Shows, rank her among the top winning bitches in the history of our breed. Dash was also a wonderful producer with just two litters; her offspring have been extremely successful in both AKC - breed and performance. I have bred sparingly since my first litter just a little over nineteen years ago, but I am very proud of the dogs that carry my kennel name, Peloton, along with those of their co-breeders - Blackwater and Chimeric and Pas Grace. And I am thankful to the wonderful people who have our puppies that have been become dear friends.

I currently share my house with Terv girls Piper, Prada and Lizzy.

I am honored to have been asked to judge Sweepstakes at the 2024 ABTC National and extend my thanks and best wishes to all the exhibitors.

Sherri L Swabb
Junior Showmanship Judge

I began training and exhibiting dogs in 1985, starting with a re-home Great Pyrenees. He was a challenging “first dog” but provided a good foundation for understanding dog behavior and temperament. He also instilled in me a dedication to the sport of purebred dogs. In 1986, I acquired a re-home Belgian Sheepdog and with him began my love for the herding breeds.

Since those days many years ago, I have been actively involved in my local training club, Dayton Dog Training Club, where I currently serve as the AKC Delegate, as well as local All-Breed Clubs in SW Ohio. I was a member of the Great Pyrenees Club of America for many years, and I joined the Belgian Sheepdog Club of America in 2004 where I have served on the board and currently enjoy being a member in good status supporting club events regularly.

I am a Gold Breeder of Merit of Belgian Sheepdogs, under the Sarron kennel prefix. My Belgian Sheepdogs compete in all venues. As a preservation breeder, I have a keen focus on health and DNA testing in order to make better breeding decisions and improve the Belgian Sheepdog breed overall. I began judging for AKC in 2023.

Outside of the dog world, I hold a Bachelors in Science with a major in Marketing from Wright State University and a Master’s in Business Administration with a concentration in International Business from the University of Dayton. I greatly enjoy my role leading the marketing and product management areas in the Americas for a large global industrial automation manufacturer.

Kathleen Cook Obedience Judge

My late husband, Mike, and I acquired our first AKC-registered dogs in 1976 and together we started MIKA German Shepherds. As a result of having large breed dogs (German Shepherds and a Doberman Pinscher), I began reading books on how to obedience train my dogs. "Formal" training at a local training club followed and both Mike and I began showing in obedience in 1984. My training interests have expanded over the years to include Obedience, Tracking, Agility, Rally Obedience, and Schutzhund.

I have advanced titles in all, including an OTCH and 4 perfect scores of 200.

I was judging fun matches and show-n-go's for multiple clubs. I enjoyed this judging and applied to be an APDT Rally judge in 2000. I was excited when AKC decided to add Rally Obedience as an approved titling venue, and applied to be an AKC Rally and Obedience Judge. I'm currently judging all levels of Rally and Obedience.

I am a member of several local training clubs and the German Shepherd Club of America. I have owned my own dog training business, Blue Ribbon Dog Training Academy LLC, for almost 25 years.

Fred Buroff Obedience and Rally Judge

I started showing in obedience in 1979 with my Male Border Collie, "Patches," and obtained his CDX title. After my Border Collie, I trained a male and female Doberman to Utility. After my Dobermans, I titled three more Border Collies, one Golden Retriever, and a male German Shepherd all through Utility. My German Shepherd also obtained the Rally Excellent title. Recently I put a Rally Excellent title, a Beginner Novice Title, a CD, and a Graduate Novice title on an Italian Greyhound. Over the years I have trained

four Utility dogs, two others to a CDX and two others to a CD. Currently I am training a female Briard who just completed Beginner Novice and Rally Novice B titles. Since 1989, I have taught various levels of obedience classes at both Stone City Kennel Club for over 14 years and Obedient Dog Training Club in New Lenox, Illinois for over 25 years.

Anita Eisthen Obedience Judge

Anita's love for dogs began as an infant, when her parents received a Toy Manchester puppy from her grandfather. She has had many rescues and mixed-breed dogs as family pets over the years, including a Doberman mix and an Aussie mix. Her love of her current breed, Labrador Retrievers, began in 1991, when she rescued a purebred Labrador from the Houston SPCA. Her Novice A dog, Casey, earned her Novice Obedience title in October, 2003. Anita's first purebred Labrador from a breeder, OTCH Sunshine's Hope MD Cotton UDX6 OGM VER RAE2 JH NA OAJ NAP NJP, came to Anita's home to live and be loved in February, 2003. Anita has titled other dogs in various sports, including Obedience, Rally, Hunt Tests, and Scent Work. She currently has six Labradors, and all six of them are currently being shown in one or more dog sports. Anita is thrilled to be a part of the Belgian Tervuren Nationals.

Katie Maess Rally Judge

My first show was in the early 1990's with my Rottweiler, Boris. I trained by myself, and the show itself was too overwhelming for both myself and Boris. I figured showing wasn't for me. We were happy doing therapy visits.

In 2002, I finally mustered up enough courage to go back into the ring with another Rottweiler, Dusty. Even though I was very nervous, Dusty and I managed to earn a lot of titles along our journey. Dusty was the first Rottweiler to earn the titles Rally Advanced thru Rally Advanced Excellent 12

(RAE12). She was actually the first dog of all breeds to earn the Rally Advanced Excellent 2 (RAE2) title through Rally Advanced Excellent 12 (RAE12). During this time, I applied to become an AKC and UKC Rally judge.

I have earned titles with my partners in a lot of various venues (obedience, rally, tracking, dock diving, barn hunt, fast CAT, lure coursing, nosework, to name a few). My Rottweiler, Axel, was the second dog of all breeds to earn the Rally Championship (RACH) under the original point system. He might have been the first to earn it if I had actually read and performed some of the signs correctly. He is the first dog of all breeds to earn the RACH2. Axel was ranked #1 Rally Dog over all breeds in 2018.

I am honored to have been asked to judge Rally! Good luck to all exhibitors! Remember to breathe, laugh, smile, and have fun!

Lisa Pruka Herding Judge

Lisa Pruka works full-time for the U.S. Postal Service and in her free time she breeds under the prefix Czechmate. She also trains and competes with her Border Collies in Herding, Obedience, Rally, Agility, and Conformation. Additionally, she serves on the Board as the AKC Delegate and is an AKC Herding Judge.

Kathy Walker Herding Judge

Kathy Walker is an AKC and AHBA Herding judge. As the owner of Island Dog Academy, she works with all breeds of dogs in a variety of situations and jobs. Kathy lives in Islamorada, Florida and currently owns four herding dogs; Three Australian Cattle Dogs and a Working Kelpie. Kathy's interest in herding dogs is what led her to become a herding judge.

Kathy has been an AKC herding judge since 2007 and an AHBA Herding Judge since 2009. Kathy is an active judge, judging herding trials across the country, including all breed trials and specialties. Other herding activities include trialing and training her own dogs, maintaining a small herd of goats/sheep. Herding Course Director and Course Designer for Black Prong Equestrian Center in Bronson, Florida, and Head Stock Handler at local trial sites. As a Herding Trial judge, Kathy is dedicated to preserving the integrity of Herding Programs. She encourages participants to demonstrate their dogs best herding performance through understanding their breed and continued training.

Edith Markoff - Scentwork Judge

I have been involved with the sport of scentwork since 2014 with my first nosework dog, Eli. Eli has his Elite-CH from NACSW, and his SWM from AKC as well as his SWD titles.

Since my first dog, I have started two additional dogs in the sport. I started judging CPE Scent Sport in 2019 and became a fully-licensed AKC judge in 2023. I have been teaching Scentwork classes since 2021, and I became a certified Nosework instructor (with NACSW) in 2023.

It is so exciting to watch the progress of new scentwork teams and to see the evolution of experienced teams.

Debbie Thurston Scentwork Judge

I spent over 15 years in the AKC conformation show world as an owner-handler with English Mastiffs. Following my dog's two rear leg surgeries in a six-month period, I decided it was time to slow down and find something else

I could do with my Mastiff, June Carter.

In 2016, I started in the world of scentwork. In 2017, I attended the very first AKC Scentwork Performance Games event, resulting in earning scent work titles and making history for the Mastiff breed.

I am now in my eighth year of scentwork and have loved every moment. I keep myself extremely busy with this performance sport. Every week, I have training classes Monday to Thursday at two different locations and I judge AKC Scentwork Trials throughout the year on weekends.

Scentwork is the only performance sport that I am extremely passionate about. I found my niche in life and love everything about it.

Ken Barna Tracking Judge

I'd first like to thank the committee for inviting me to judge at your National Specialty. It is an honor and privilege to be here and I look forward to seeing the tracking teams work through the tracks we plot for them.

I am a native of Northeastern Ohio, and currently reside in Burton, OH with my wife, three horses, and two bloodhounds.

My family had a Bearded Collie when I was growing up, and I chose an Irish Setter when I was old enough to purchase my first dog on my own. We were adopted by our first Bloodhounds nearly thirty years ago and have been active in the American Bloodhound Club during that time - serving on the Board of Directors several times and as a President of our regional breed club. We have also been members of Cleveland All-Breed Training Club as well as serving on the Board of Directors of Buckeye Tracking Club for many years. We have shown/competed/titled our dogs in Conformation, Obedience, and Tracking - always owner-handled. We have also earned several titles in Mantrailing. I have been involved with Tracking for more than 25 years and have been and AKC-approved Tracking Judge since 2007. Over that time, I have been fortunate to judge nearly 200 Tracking Tests. I also work full-time as a Manufacturing Operations Manager, and do a little horse judging during the summer when it is too hot to track. I sincerely hope that everyone thoroughly enjoys the weekend and welcome to Ohio!

Michael Roehrs Tracking Judge

Michael Roehrs has been training and showing dogs for over 40 years, initially with Golden Retrievers and now with Field Spaniels for the past 26 years. He has competed in many canine-related events, including obedience, conformation, hunt tests, agility, barn hunt, scentwork, trick dogs, fast cat, dock diving and tracking. He and his wife have also bred Field Spaniels under the kennel name "Windward." Their puppies have proven themselves by earning many titles in performance and conformation, including Champion Trackers, MACHs, Best in Show, and Best in Specialty shows. His passion over the last 25 years has been tracking, where he has not only obtained Champion Tracker titles on four dogs, but has become a tracking judge at all levels and presents seminars around the country. He has written a number of articles on tracking, including a feature article for the AKC Gazette on managing the stress of a tracking test using "Mindful

Tracking." He enjoys watching the bond as handler/dog teams work together.

Michael supports his "dog habit" by working as a Clinical Social Worker in private practice, specializing in couples therapy, anxiety disorders, and working with individuals with chronic and end-stage illness. He and his wife Joanne live in Bowling Green, Ohio with their three Field Spaniels, a horse, a goat, and a cat.

David Mancino Agility Judge

David has been active in many aspects of dog sports, including obedience, herding, conformation, and agility.

David got the agility bug in 1996, while attending dog training lessons with his German Shepherd Dog, Sasha. He obtained his AKC Agility Judges' license a few

years later (2000), and has been actively training, teaching, competing, and judging ever since. David has competed in the highest levels of AKC, USDAA, UKI, and NADAC agility competitions over those years, with a variety of dogs, breeds and jump heights, including German Shepherd Dogs, Doberman Pinschers, Border Collies, Rat Terriers, and Miniature American Shepherds.

Ode to the National Specialty

May the fields be fair and the scents be strong,
and not one Terv's nose be wrong.
May the sheep not be crafty, and the dogs be wise,
and the handlers remember their "ways and byes"
May any storm clouds part and the sun shine free
on the sweeps where veterans prance for all to see.
Let everyone go home with a ribbon or two:
red, yellow, and white, maybe purple or blue.
May the days be grand and the puppies all play
(just don't let it happen on the Sit/Stay).
This all could happen, tho strange it may seem.
This all could happen, the perfect dream.
For our National Specialty is upon us again
where we play with our dogs and spend time with our friends!
And every Tervuren, from the young to the old,
remind us to face the world proud, hopeful and bold!

WORKING SWEEPSTAKES

Judge: Andrea Debbins

Dogs shown in Working Sweepstakes DO NOT have to be entered in one of the regular classes at the regular entry fee. Indicate Working Sweepstakes, with the division, in the Additional Class field. Spayed bitches and neutered dogs are eligible to enter. Entry fee \$25.

To be eligible for Working Sweepstakes, your dog must have titles from 2 different sport categories associated with the ABTC Versatile Tervuren program (Obedience/Rally, Agility, Herding, & Tracking/Scent Work), with one of them being higher than the Entry Level as noted below. EXCEPTION: Dogs with titles in the Working CH column do NOT require a second sport title.

AWARDS & TROPHIES

High in Trial awards require the dog to be entered in the same level (Novice, Advanced, Excellent, Master) for both Interior and Container elements, and receive a qualifying score in both elements. The winner at each level is awarded a rosette and a Terv-themed item.

High Combined awards require the dog to be entered in the same level (Novice, Advanced, Excellent, Master) for both Interior and Container elements PLUS Handler Discrimination, and receive a qualifying score in all 3 runs. The winner at each level is awarded a rosette and a Terv-themed item.

Placement ribbons or rosettes will be awarded to first (Blue), second (Red), third (Yellow) and fourth (White) places in each level of each element.

Dark Green qualifying ribbons or rosettes will be awarded to passing scores.

New Title rosettes will be available to all teams finishing a title.

**Thank you to Roger Ly, Agility Gate owner (and Tervuren owner!),
for sponsoring the use of Agility Gate for both Scentwork and Agility.**

Journey's Story

Journey, aka "Paris".

For those that don't know Journey's story, here it is. As a puppy he went to Canada to live with Susi Hirsch Wilson. Susi had planned a trip to Paris France for the Belgian Nationals, long before contacting me. Therefore, he would stay a little longer with us before she could get him. When Susi returned from Paris, she gathered her sister Heidi, and they made a whirlwind dash to the States to pick up the puppy. We met up in Paris Tennessee. Notice a pattern here! Off to Canada they went. Growing up, Paris had a blast pushing Susi's buttons. Lovable, smart and a sense of humor that gave him a nickname of Heathen!

Unfortunately, due to Susi's untimely death, Paris needed a new home. Susi's daughter Sabrina had contemplated keeping him. Unfortunately, he proved to be too much of a heathen for her at that time. Her life was in turmoil with the loss of her beloved mother, Susi. It was best Paris came home to us.

Pennie Jackson was extremely helpful in Paris's return. Especially since others thought they needed to interfere and keep him in Canada. Fortunately, Susi had let Pennie know her wishes should something happen. He was coming home. Pennie was instrumental in getting Paris from Sabrina and to me. During Pennie's trip to the Louisville Cluster, two years ago, she would bring Paris along.

I made the five hour mad dash to Louisville to meet up with Pennie and Paris. I met Pennie first, then when she brought Paris out of the van, he recognized me. He was happy to see me, jumping on and kissing me, but also confused. He kept going to Pennie for reassurance. Pennie and Susi were best friends and traveled to many events together. Paris knew her well. Pennie reassured Paris, it was OK. Yes, there were tears.

Back at home, Paris was loving, reluctantly did what was asked of him. Sometimes, an ass. He was a little off. He had some mental trauma that needed addressed. You see, he was in the vehicle when the accident occurred that took Susi's life. I don't believe he actually understood what happened, but he knew something was terribly wrong.

After a few months of allowing him to settle in, it was time to start reprogramming him. First, he needed a new name. New name, reinforced good behaviors. I decided on Journey, since he had, had quite a "journey" in his short life. He has proved quite the character. He still has a wicked sense of humor.

Journey did suffer from separation anxiety, he's over that now. Quick to do what I ask as long as it wasn't gaiting in the show ring. He would show one day out of a circuit. Main problem, I didn't know if it would be the first day, or last.

Page 1

Stonewall Belgian Tervuren

He had taken the breed from the classes over nice specials, just to turn around the next day and blow me off. Many friends were amused by his sense of humor. Gaiting nicely outside the ring, only to pace once he walked in the ring. I finally figured him out. As long as he is the only one showing that day, he pays attention, and gaits.

Thursday, this year in Louisville, Journey had the opportunity to see Pennie again. He immediately knew her. I truly believe that has helped him. He was so happy smiling, while she was loving on him. Smiling at me, then turning to Pennie. It was so therapeutic for him. Yes, more tears.

On Friday, at the Specialty, Journey showed the best he has ever done. Giving me his all every time I asked, and never stopping. He went in needing four singles to finish his Championship. I never thought he would finish his Championship, and go onto Best Of Breed, the same day to earn the title of Best In Specialty Show.

Thank you so very much Christine Klockenbrink for finding this special boy in such a lovely group of Tervuren. It's been my privilege to meet you. Truly an honor. And thank you, Pennie for sharing more tears.
