SCHEDULE OF POINTS FOR DIVISION 5 — EFFECTIVE MAY 15, 2024

Division 14 is comprised of: Alabama, Arkansas, Louisiana, Mississippi, Tennessee.

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of **both** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of **its own sex** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. PWDCA President's Welcome

On behalf of the Board of Directors of the PWDCA and the Show Committee, it is my pleasure to welcome everyone to Kingsport, Tennessee! This should be an exciting and fun-filled week of everything Portuguese Water Dog.

Nigel Clark and her team have worked very hard to make this Specialty an outstanding experience, so please take time to enjoy the various venues and programs and remember to thank the volunteers. We wouldn't have a specialty without all of their dedication and hard work!

The Specialty starts with the water trials, and for the following week, you will have many opportunities to shop, watch, and learn. This year we welcome the Fetch Test to our activities, which is a new AKC event in which I am certain that our dogs will excel. Also, don't forget about the Breeder's Education Seminar with Dr. Aime Johnson discussing progesterone and stud dogs.

We hope to see everyone at the annual meeting and ringside at one of the many fabulous events. Please come say hello to your Board; we look forward to catching up with old friends and meeting new ones.

Obrigada,
Becky Morin

Official Standard for the PORTUGUESE WATER DOG

General Appearance: Known for centuries along Portugal's coast, this seafaring breed was prized by fishermen for a spirited, yet obedient nature, and a robust, medium build that allowed for a full day's work in and out of the water. The Portuguese Water Dog is a swimmer and diver of exceptional ability and stamina, who aided his master at sea by retrieving broken nets, herding schools of fish, and carrying messages between boats and to shore. He is a loyal companion and alert guard. This highly intelligent utilitarian breed is distinguished by two coat types, either curly or wavy; an impressive head of considerable breadth and well-proportioned mass; a ruggedly built, well-knit body; and a powerful, thickly based tail, carried gallantly or used purposefully as a rudder. The Portuguese Water Dog provides an indelible impression of strength, spirit, and soundness.

Size, Proportion, Substance: Size - Height at the withers: Males, 20 to 23 inches. The ideal is 22 inches. Females, 17 - 21 inches. The ideal is 19 inches. Weight -For males, 42 to 60 pounds; for females, 35 - 50 pounds. Proportion -Off square; slightly longer than tall when measured from prosternum to rearmost point of the buttocks, and from withers to ground. Substance - Strong substantial bone; well -developed, neither refined nor coarse, and a solidly built, muscular body.

Head: An essential characteristic; distinctively large, well proportioned and with exceptional breadth of top skull. Expression - Steady, penetrating, and attentive. Eyes - Medium in size, set well apart, and a bit obliquely. Roundish and neither prominent nor sunken. Black or various tones of brown in color. Darker eyes are preferred. Eye rims fully pigmented with black edges in black, black and white, or white dogs; brown edges in brown dogs. Haws are dark and not apparent. Ears - Set well above the line of the eye. Leather is heart shaped and thin. Except for a small opening at the back, ears are held nicely against the head. Tips should not reach below the lower jaw. Conformation Judge Sweepstakes, Veteran Sweepstakes

Sara Manzi

I am honored to be asked to judge the 2024 PWDC National Specialty Sweepstakes. I am a second-generation purebred enthusiast born into a family that raised and showed APHA Paint Horses and Miniature Schnauzers under the prefix 'Drewsar'. I started junior handling at the age of four and my parents knew from that experience I was hooked. I enjoyed studying pedigrees and learning about genetics at a young age. A few years into learning how much I loved showing we acquired our foundation Portuguese Water Dog. After finishing her championship and health testing she gave us a beautiful litter of nine of which seven became Canadian Champions. By the age of 10, I finished my first bred-by puppy. We are now six generations out from her with over 70 home bred CKC Champions, Best in Show, Reserve Best in Show and multiple Best Puppy In Show winners. In 2013 I showed one of our home bred boys Harry to 12 Best Puppy in Shows, an All-Breed Best in Show just days after turning 9 months old and multiple Group 1st. He finished the year #2 PWD #1 Working Puppy and #4 Puppy All breed. In 2021, I breeder-owner-handled the #1 PWD in Canada. Dogs are my passion - planning breedings, raising puppies, picking out and growing up the next generation never gets any less exciting. We are thrilled to be planning a 7th home bred generation breeding soon! Thank you to the PWDC for the invitation and I hope everyone enjoys the specialty!

Lonnie Carroll

I showed my first dog at an AKC show in 1986, she was an American Staffordshire Terrier. I then continued in the AKC having Am Staffs, Staffie Bulls, Standard Poodles and Boston Terriers. In 1999 I got my first Wirehaired Pointing Griffon. At that time, I did not know what a journey she would set me on. I started showing her in 2000 and we have shown them ever since. Our griffons have competed in conformation, hunt tests, agility, and obedience. We had the number one dog in conformation in 2013. And multiple top 5 and 10 dogs. My wife and I have also bred 23 litters over the last 24 years. I started judging in 2016 when I was approved to judge Wirehaired Pointing Griffons and Beagles by the AKC. I am currently the President and Delegate for the Spartanburg Kennel Club in Spartanburg, SC. I am the Chairman of the Judges Selection Committee for the Blue Ridge Cluster of the Carolinas. And I am currently in the AWPGA I am serving as Vice President and Chairman of the Judges Education Committee. On a personal note, I have been married to my wonderful wife Marsha' for 25 years, and currently live in Greer, SC. We have 9 children, 16 grandchildren and 4 great grandchildren. I grew up in Southeastern Kentucky and Southwestern Virginia. I graduated from the United States Military Academy at West Point in 1982. **Conformation Judge
Junior Showmanship**

Julie Parker

First, I would like to thank you for considering me for the 2024 Junior Showmanship Judge at the National Specialty in Kingsport, Tennessee. I love to judge Juniors and find it very rewarding, as these youngsters are the future of our sport! My name is Julie Parker, and I am currently the Delegate for Erie Kennel Club, in Erie, Pa. I am a breeder of Portuguese Water Dogs, for 30 plus years, as well as a past breeder of Kerry Blue Terriers, Flat-coated Retrievers, Finnish Spitz, and Black Russian Terriers. I am a past member of the AKC Registered Handlers, as well as The Dog Handlers Guild. In my career, I was very fortunate to have had many fine breeders, who allowed me to show and share their dogs with the fancy! My handling experience covered all groups, but I enjoyed the Working and Sporting groups the most. I stay very active in any juniors' clinics, and always try to share experiences and knowledge. When I was handling, I always had juniors working with me, and I'm proud of the many that have gone onto their own success in this sport. I hope everyone has a wonderful Specialty week, and I wish you all success with your dogs.

Water Trial Judges

Amanda Ford

I'd like to thank the 2024 Specialty committee for asking me to judge this year in Tennessee. As always, it's a huge honor and a real pleasure to be able to come to the Specialty and spend time with these lovely dogs and their great handlers. My first PWD was born in 2001. Before that I'd grown up with poodles, did a bit of junior handling, and helped my mother with puppies and grooming. As an adult, I've had a variety of sporting group dogs. But my first PWD was unlike any of the poodles, goldens, Weimaraner, or other dogs I'd had before— she was a great family dog, and she wanted a job. Her drive and work ethic opened doors that I didn't know existed— doors to an incredible depth of relationship to another species, to a fabulous group of friends, and enough activities to fill several lifetimes. Fortunately, I had the time to get involved in depth with many aspects of the breed and clubs, both local and national. Water trials and the work that goes into them have been a big passion of mine since my earliest water trial experience, and judging was a logical extension of that effort. Lucky for me, there are several outstanding PWD owners/trainers/judges in the Pacific Northwest that were ready and willing to mentor my journey. I had to check the records to recollect that my first judging assignment was in 2011. The years have flown by, but PWDs keep us active and young at heart. Judging is a real privilege, and, as well, a great responsibility. The depth of the relationship that so many of us experience with our dogs is something that every PWD owner can have. I see it as my role to be supportive and affirmative when judging. I want each competitor to leave the ring with that relationship enhanced, whether or not they qualify. Again, huge thanks for giving me the opportunity to share time at the water with all of you.

Greg Illichuk

My journey with Portuguese Water Dogs began when our first Portuguese Water Dog, Rio, joined our family 23 years ago. What a ride it has been!

My wife Robin and I have been blessed to share our home with seven great dogs, all with different personalities and learning styles. I believe that structure and function are both important and all our dogs have obtained their Conformation Grand Championships as well as titling in the water (and obedience, agility, rally...). These days I owner-handle our dogs and puppies we've bred in Conformation, dabble in rally and agility, and love water-work the most. My first water training experience was a cold, rainy, weekend camp spent with four wet dogs and a wet wife in a tent in Alberta, Canada. The fun part was watching PWDs do what they were bred to do. The following year, the instructor of the affectionately named "mud and water camp" kindly took the time to convince us to make the 800-mile (one-way) trek to the closest competition in Seattle, WA. That weekend at our first water trial, Rio worked around my many mistakes as a brand-new handler and obtained his AWD and WWD on the same day. I was hooked. Rio was my first dog, my first CWDX and GROM and still has a big piece of my heart decades later. I see his hardworking and want-to-please attitude in the dogs who share our home now – Ary the elegant-but-silly almost 11-year-old, Tique the energizer-bunny, and Sparkle the do-it-my-way-girl. I became a PWDCA Water Judge in 2016 to give back to the sport I love, as many did before me. I've had the pleasure of competing at 16 different water trial sites all over North America (and judging at many more) and along the way have met so many wonderful water-dog-lovers and made lots of new friends. Robin and I breed a very limited number of litters under Whoosh Portuguese Water Dogs on Vancouver Island. I was humbled to be asked to judge the 2024 PWDCA National Specialty Water Trial. I look forward to adding this to the many fond memories I have had on my PWD journey so far.

Rally and Obedience Judges

Bonnie Hornfisher

Bonnie started training dogs when she was 13 years old, earning her first AKC obedience title at age 15. She started by taking the family Golden Retriever to a community education class, surrounded by adults held in a school gymnasium. At the conclusion of the 8-week session her parents were encouraged to enroll the team in 4-H classes. Bonnie's journey had begun, and she continued to train that Golden with 4-H until she left home to attend college. She has titled dogs in obedience, rally, and agility, and active in two dog therapy groups. Besides her dogs, Bonnie shares her life with husband, Russ, also an obedience and rally judge. Initially, they purchased Golden Retrievers from a well-respected AKC breeder. Since 1998 they have fostered, adopted, and trained dogs that were abandoned at shelters, rescue groups, or left on the street. Their rescue companions included goldens, tollers, and mixed breeds. Over the years, the Hornfishers have enjoyed living in four states, Michigan, Colorado, Iowa, and Tennessee. With each move it was easy to make friends, the dog community has been a welcoming bunch. All the states provided opportunities to join dog clubs and participate in companion dog activities. On a side note, Bonnie is a retired pharmacist, her career spanned pharmaceutical sales, hospital, and retail pharmacy. She hopes everyone enjoys their time in beautiful Eastern Tennessee, wishes them good luck and safe travels.

Russ Hornfisher

Over thirty years ago I attended dog shows as a reluctant participant. I went only to watch my wife show. When I attended, I read the paper or propped open my briefcase and worked, paying attention to the ring only when my wife was exhibiting. It was a very unlikely that I would ever develop into a dog show judge. In 1985 I earned a Master of Science in Organizational Behavior and Development Degree. Requiring several years of hard work, including writing a thesis, and exposure to learning principles I enjoyed, such as Operant Conditioning and Social Learning Theory, etc. Three years later, to get better control of a Golden Retriever puppy, I made a fateful offer, "if you are not able to train the puppy, I will". Soon after that, I found myself enrolled in an eight-hour, Terry Arnold dog obedience seminar, where she lectured in the morning on valuable topics including Operant Conditioning, Social Learning Theory and other valuable principles....I was hooked. Since that time, I have titled dogs in obedience, rally, agility and tracking. I started with dogs we raised from puppies, moved to adopting rescues, then fostering dogs, many with issues developing after a disadvantaged start in life. The combined experience has taught me much about dogs and people. The issues, unique to each dog, make training and earning performance titles both challenging and interesting. Professionally I have worked in the orthotic and prosthetic industry for over 25 years. The dog training experience has allowed me to expand professionally, led me to develop business related presentations and publish articles with such titles: "How to Treat Your Customers like a Dog", "Who Moved my Dog Dish?", "Selling like a Dog", "Overhead Projectors and Golden Retrievers". My recent endeavor has been publishing a book, "How to Treat Your Employees like a Dog" and "Job 1: Everyone is a Salesperson" Who would have anticipated that the guy sitting ring side with his head buried in the newspaper would eventually become an AKC obedience and rally judge? Best wishes to all exhibitors.

Agility Judge

Don Farage

Don Farage became involved in the AKC dog world in the early 90s. His first AKC dog was a Miniature Schnauzer named Beau. Beau was very helpful learning how not to do Obedience and later how not to run Agility. About that time, a Standard Schnauzer entered the picture taking him into these same venues plus AKC Conformation. Obedience never went very far, but Conformation Championships and Agility Master titles were earned. Conformation continued in parallel with Agility. In 2003, Don started judging AKC Agility events and has been judging and showing in Agility ever since. Assignments have included multiple three assignments at the NAC, AKC Invitational, Westminster Kennel Club Agility, a World Team Try-out, and a World Team Qualifier.

Obedience Judge

Nancy Watson

I started showing in Obedience in 1978 with my first dog a Doberman Pinscher. Since then, I have titled two different breeds to OTCH Titles. My first OTCH title was with my Shetland Sheepdog OTCH Jul-Rich's Victory Secret, UDX, MX, OAJ aka Tori who I had retired after earning her UD and was showing in conformation and agility when I got a new puppy for obedience. Since I had been out of obedience for 4 years, I decided I needed to get back in the obedience ring to get familiar with the changes, so I brought Tori out of retirement at the age of 10 years and within 6 months, earned my first OTCH and UDX. My second OTCH was the puppy I spoke of an Australian Shepherd AKC/ASCA OTCH Penn Y Caeraus Just Call Me Mystr. I started judging obedience in 1999 with my national breed club ASCA, and after I finished Mystr I decided it was time to give back to the sport I truly love. I began judging with AKC in 2011 and became approved regular status Utility April 2014. I have judged for ASCA twice in Germany and just had the pleasure of judging again in Alaska, I currently have 3 PWD's, CH Seaworthy's Swim 'N Sync, CD, BN, RI, SCN, SIN, TD2 aka Reef, Mirage's Maiden of Swansea aka Tess, and little miss Shimmer Swansea's Moonlit Bay all which are living a very carefree life.

Silke Satzinger

Silke Satzinger has a rich history in dog performance sports and conformation over 30 years. She put her first AKC Companion Dog Excellent (CDX) obedience title on her beloved Doberman, Kora, in 1996. She developed a passion for working and playing with her dogs and added Agility, IPO, Weight Pull, Therapy work. She added Rally-Obedience when the sport became available through AKC and UKC, earning titles on all of her dog, including Rally Advanced and Master. Adding conformation to her competitive events, she was ranked #4 in AKC Owner Handler in 2012. When canine scent work came to the East Coast in 2013, Silke began competing at National Association of Canine Scent Work (NACSW) trials. When AKC added Scent Work as a new sport in 2017, she became the 1st AKC Scent Work judge in Virginia and is one of the few expert judges in the country. Her Doberman, Heady, was the first Doberman to earn the Overall Scent Work Novice title in September 2017. Scent Work has become her passion ever since! In March of 2022 she also became the 1st United Kennel Club Nose Work judge for Virginia.

Lisa Bell

Growing up we always had dogs in our home, but my dog training journey began in 1996 when I got my first Rottweiler. Over the past 28 years I've trained my Rottweilers in many different venues, conformation, obedience, rally, barn hunt, tracking, herding and agility but my real passion is scent work. I started scent work in 2016 with the National Association of Canine Scent Work (NACSW) where I have trained a dog to an Elite-Champion title. I've been trialing in AKC scent work since it began in 2017 and have titled in every odor division element through Elite and Detective. I am an instructor for a local obedience training club where I have taught rally and scent work classes. I was lucky enough to have a great mentor and with her expert guidance along with my years of experience training and trialing my own dogs I became a scent work judge for both AKC and UKC in 2023. I like watching teams work together to figure out the puzzle. There is something to be learned by every run and my goal is for the teams to have fun and continue to build on the relationship that scent work fosters between dog and handler.

Fetch Judges

Susan Lefebvre
Susan Scheff Wells

Back-Up Judges: Marilu Novy, Chris Marston

Susan Lefebvre

Since 1998, I have been privileged to own and train several PWD's. My interests have grown from conformation and obedience to many other performance events. My dogs have taught me the value of patience, perseverance, fairness and a willingness to try new ideas. Their eagerness to learn and strong work ethic has brought me much joy when all the pieces have come together. My current PWD has given me a new challenge. Smudge is bold, lively and definitely can have his own ideas. His youth, energy and zest for whatever is on the horizon is both comforting and exciting. We are team building for a fun filled future together. Thank you PWDCA for the invitation and opportunity to judge your Fetch event at the 2024 Nationals.

Susan Scheff Wells

Dogs have always been a big part of my life as beloved household pets. In 1996 my desire to compete in obedience led me to acquire a Sheltie. I was quickly hooked on participating in sports with dogs. Since then, I have exhibited in obedience, agility, tracking, herding, conformation, and water work with a Sheltie, Belgian Tervuren, and Portuguese Water Dogs. My current companions in life and sport are Portuguese Water Dog Riff and Belgian Tervuren Carbon. I have been a tracking judge for several years. I have recently begun to judge fetch and am excited to judge the 2024 National Specialty.

She entered the Portuguese Water Dog world in 2004, bred her first litter in 2009 under her kennel name, Marinella.

Kristle brings two decades of experience grooming some of the top Pwds in the country, including several Best In Specialty winners and Best In Show winners. As a breeder/owner/handler, she has been very blessed to be mentored by many of the top groomers in the breed over the years. She also feels it is important to pay it forward, which is why she enjoys mentoring other owner handlers to hone their skills and groom their own Pwds. Many of the owner handlers Kristle has mentored have gone on to some amazing wins and presented in beautiful trims. Kristle would love to help our juniors get their dogs looking their best.

Details regarding seminar - Our presenter will have a dog she will be grooming on for demonstration. Juniors participating are encouraged to bring their dog and a grooming table. The juniors will not be doing any scissoring, but the instructor or volunteer will go over their dog with them to demonstrate on their dog brushing, ear cleaning, location of lion jacket etc. No trimming will be done on any Pwd other than the demo dog. We will also be gaiting individual dogs to show how trimming can affect the way a dog moves and why you would leave or trim hair in specific areas for movement. There will be a question-and-answer session upon the conclusion of the grooming demonstration. Each participating junior will be given an information packet, and the email of the instructor should they have questions in the future.

Length of Presentation: 2 hours including a 15–20-minute Question and Answer session upon completion of presentation.

Pizza and drink will be provided to the juniors during the seminar

Have you ever wondered what all the numbers mean when it comes to your female? Join us at this year's Breeder Support and Education program to learn about the basics of progesterone throughout the bitch cycle including breeding and pregnancy. We will discuss how progesterone can be used for breeding and high-risk pregnancy management and what the numbers mean in each stage of the cycle and pregnancy.

Making the most of your stud dog.

From the start of their career to late in life, your stud dog can have issues that arise at any time. During this talk, we will discuss breeding soundness examinations - when they are necessary and what they mean. We will also discuss common issues that arise with stud dogs as they age and how to detect them. Lastly, we will talk about incorporating semen freezing and cooled transported semen into your program.
