AMERICAN
KENNEL CLUB

Official Standard of the Bullmastiff

General Appearance: That of a symmetrical animal, showing great strength, endurance, and alertness; powerfully built but active. The foundation breeding was 60 percent Mastiff and 40 percent Bulldog. The breed was developed in England by gamekeepers for protection against poachers.

Size, Proportion, Substance: **Size** - Dogs, 25 to 27 inches at the withers, and 110 to 130 pounds weight. Bitches, 24 to 26 inches at the withers, and 100 to 120 pounds weight. Other things being equal, the more substantial dog within these limits is favored. **Proportion** - The length from tip of breastbone to rear of thigh exceeds the height from withers to ground only slightly, resulting in a nearly square appearance.

Head: **Expression** - Keen, alert, and intelligent. **Eyes** - Dark and of medium size. **Ears** - V-shaped and carried close to the cheeks, set on wide and high, level with occiput and cheeks, giving a square appearance to the skull; darker in color than the body and medium in size. **Skull** - Large, with a fair amount of wrinkle when alert; broad, with cheeks well developed. Forehead flat. Stop-Moderate. **Muzzle** - Broad and deep; its length, in comparison with that of the entire head, approximately as 1 is to 3. Lack of foreface with nostrils set on top of muzzle is a reversion to the Bulldog and is very undesirable. A dark muzzle is preferable. **Nose** - Black, with nostrils large and broad. **Flews** - Not too pendulous. **Bite** - Preferably level or slightly undershot. Canine teeth large and set wide apart.

Neck, Topline, Body: **Neck** - Slightly arched, of moderate length, very muscular, and almost equal in circumference to the skull. **Topline** - Straight and level between withers and loin. **Body** - Compact. Chest wide and deep, with ribs well sprung and well set down between the forelegs. **Back**-Short, giving the impression of a well balanced dog. **Loin**-Wide, muscular, and slightly arched, with fair depth of flank. **Tail** - Set on high, strong at the root, and tapering to the hocks. It may be straight or curved, but never carried hound fashion.

Forequarters: Shoulders - muscular but not loaded, and slightly sloping. Forelegs-straight, well boned, and set well apart; elbows turned neither in nor out. Pasterns straight, feet of medium size, with round toes well arched. Pads thick and tough, nails black.

Hindquarters: Broad and muscular, with well developed second thigh denoting power, but not cumbersome. Moderate angulation at hocks. Cowhocks and splay feet are serious faults.

Coat: Short and dense, giving good weather protection.

Color: Red, fawn, or brindle. Except for a very small white spot on the chest, white marking is considered a fault.

Gait: Free, smooth, and powerful. When viewed from the side, reach and drive indicate maximum use of the dog's moderate angulation. Back remains level and firm. Coming and going, the dog moves in a straight line. Feet tend to converge under the body, without crossing over, as speed increases. There is no twisting in or out at the joints.

Temperament: Fearless and confident yet docile. The dog combines the reliability, intelligence, and willingness to please required in a dependable family companion and protector.

Rush is as smart as she is beautiful and I am very lucky to be her partner. I am proud of her many accomplishments in performance but also her outstanding conformation career. She has been happy hunting rats in Barn Hunt, sniffing in Scent Work, rushing along in FastCat and finishing her Master Agility titles. Above all I treasure the joy she brings me every day with her funny, goofy and affectionate personality.

Rush certainly follows in her mother Kimber's paw prints. KIMBER,(GCHB CH CT Solo-K's Over The Legal Limit VCD3 BN RE TD2 VST2 TDU MXP3 MXPB MJP XFP CA BCAT SWA SCE SIE SEE THDN RATS CGCA TKA GROM) was the 2022 Performance Bullmastiff of the Year. Rush's sister, EDEN, (CH Solo-K's Limited Edition CD BN RE AXP AJP BCAT SWA SCE SEE SBE CGC TKI) was the 2023 Performance Bullmastiff of Year. What a fabulous testament to great genetics and dedicated training!

FUTURITY

Judge: Pam Hanson

Futurity is an event held in conjunction with the National Specialty. It is similar to a sweepstakes except the nomination process is open only to breeders and co-breeders, all of which must be members in good standing with the American Bullmastiff Association, Inc. (ABA). The Futurity puppy owner(s) and/or co-owner(s) must also be members in good standing with the ABA by the date of the applicable National Specialty OR be published applicants for membership in the ABA Newsletter prior to the sixth month birthday of the nominated puppy. Futurity entries must be handled by the owner, co-owner, a member of the owner or co-owner's family, the breeder, or an amateur handler. Professional handlers, as defined by the Association, are permitted to handle Futurity entries only if they are the owner/co-owner, or the breeder/co-breeder of the Futurity entry provided they are also an ABA member in good standing. Futurity involves a series of nominations prior to the date on which the Futurity is held. Bitches that have been bred are first nominated at a fee set by the ABA, prior to the whelping. After the puppies are born, one or more puppies of the nominated litter may be nominated at Less Than 3 Months and Less Than 6 Months of age. **The only dogs eligible for entry in Futurity are those whose nominations have been kept current in accordance with the ABA Standing Rules for Futurity, effective March 1st, 2020.** A litter could have been nominated if it was whelped on or after March 1, 2023 and on or before February 29, 2024.

Breeders of Futurity nominated dogs are responsible for informing their owners on the correct entry procedures for the Futurity competition. The Futurity Chair or Show Secretary will not be held responsible for incorrectly entered Futurity dogs and will remain indifferent and impartial to any differences over winnings between breeder and/or co-breeder(s).

NOTE: ABA National Specialty dates are subject to change. In the event that a litter is eligible for two National Futurity entries (**current year and/or following year**), the breeder of the litter must select which National Specialty they would like to enter on the Litter Nomination Form at the time of submission. All decisions are final. The litter will only be eligible for one 1 Futurity entry at a National Specialty. If a puppy is past its 18-month birthday at a National Specialty due to the National Specialty being held later in the fall, that puppy will still be eligible for Futurity competition and will be entered in the 18 month and over class as specified in the Premium List.

The Futurity class is considered a second entry in addition to a regular class for the National Specialty. Under the "Additional Class" section of the entry form, enter "Futurity: along with the proper age category. **A dog/bitch may not be shown in Futurity without entry in a Regular Class.** The entry fee for Futurity is paid from Futurity funds, so no fee is required from the breeder/owner to the Show Secretary for this Additional Class.

Any questions should be addressed to the Futurity Chair, Valerie Vessey. V_Vessey@yahoo.com.

CLASSIFICATION

The following classes will be provided for both dogs and bitches:
6 Mos & Under 9 mos • 9 Mos & Under 12 Mos
12 Mos & Under 15 Mos • 15 Mos & Under 18 Mos • 18 Mos & Over

The winners from these classes will then compete for Best Dog in Futurity and Best Bitch in Futurity.

DIVISION OF FUTURITY FUNDS AS PRIZES

- Forty-five percent (45%) will be divided among the ten 10 first place winners in each age group.
- Twenty percent (20%) will be given to both the Best Bitch in Futurity and Best Dog in Futurity.
- Fifteen percent (15%) will be retained by the ABA to cover reasonable Futurity expenses

If there is no entry in a class, then those funds shall be allocated pro rata amongst the remaining classes. These funds will not be allocated to the ABA holdback. If the holdback does not cover reasonable expenses, the Board may approve an additional amount be withheld. All winnings go to the breeder and/or co-breeder of record.
