NATIONAL SPECIALTY TROPHIES & PRIZES

THE NINA MANN AWARD (Dog For All Reasons) The Labrador Retriever Club offers a commemorative award to every dog who competes in Conformation and two of the following with a qualifying score in one: Obedience/Rally, the Hunting Retriever Test, Scent Trial, or Agility, or who places in Conformation and competes in two of previously listed events, not necessarily qualifying in any of them. Registration information for this award will be coming shortly. The Puget Sound Labrador Retriever Association is the sponsor for this award. For additional information, email pk1@customfishing.com.

NATIONAL SPECIALTY CONFORMATION TROPHIES

Best of Breed For Labrador Retriever Club, Inc. Members Only. In Memory of Helen Ginnel (Whygin): A silver tray will be awarded outright to the member whose dog or bitch is judged Best of Breed. For eligibility, the owner(s) and co-owner(s) must be members of the LRC, and the dog or bitch must hold an AKC Hunting Retriever Test or Field Trial title prior to the close of entries for the show. ***After having been won in 2001 by CH Ruthless Blazing Brentley CDX MH, it continues to be donated in his memory by Nancy Brandow, Cedarwood Kennels.***

Best Of Breed, Embroidered Captains Chair, Hand Carved American Flag and Rosette offered by Krista Beal & Vicky Creamer, Belquest Conclusion Labradors

Best Of Winners, Embroidered Captains Chair and rosette offered by Marilyn Little

Best Of Opposite Sex, Embroidered Captains Chair, Large RTIC Cooler and rosette offered by Karen Helmers, Paradoc Labradors

Select Dog, Engraved Cutting Board and rosette offered by Kathryn Mines, Rockycreek Labradors

Select Bitch, Engraved Cutting Board and rosette offered by Kimberly Horn, WillOmoor Labradors

Awards Of Merit, Engraved Cutting Board and rosette

Best Owner Handled, Engraved cutting board and rosette

Winners Dog, Large RTIC Cooler and rosette offered by Tom O'Hern, Lachlan Labradors

Reserve Winners Dog, RTIC Cooler and rosette offered by Tony Emilio, Tonmar Labradors

Winners Bitch/Large, RTIC Cooler and rosette offered by Tom O'Hern, Lachlan Labradors

Reserve Winners Bitch, RTIC Cooler and rosette offered by Karen Helmers, Paradoc Labradors

Best Puppy, Engraved Cutting Board and rosette offered by Nancy Brandow and Patricia Gardner, Cedarwood Kennels and Katahdin West Kennels

Best Bred By Exhibitor, Engraved Cutting Board and rosette offered by Tami Wilson, Wilmark Labradors

Best Veteran, Engraved Cutting Board and rosette offered by Tammy Boudeau

Best Hunting Retriever, Engraved Cutting Board and rosette offered by Linda Berkeley-Weiss, Shoreline Labradors

Best Field Trial Retriever, Engraved Cutting Board and rosette offered by Linda Berkeley-Weiss, Shoreline Labradors

Best Amateur Owner Handled, Engraved Cutting Board and rosette

6 mo. & under 9 mos. Puppy Dog, Engraved cutting board and rosette offered by Gerry & Joan Saldana, Zinfandel Labradors

9 mo. & under 12 mos. Puppy Dog, Engraved cutting board and rosette offered by Fran Pidgeon

12 mo. & under 15 mos. Dog, Engraved cutting board and rosette offered by Carrie Eberhardt, LegaSea Labradors

15 mo. & under 18 mos. Dog, Engraved cutting board and rosette offered by Connie Jacko, Saddlebrooke Labradors

Novice Dog, Engraved cutting board and rosette offered by Carrie Eberhardt, LegaSea Labradors

- High Combined In Rally Trial #1 & #2**, One (1) Pro Plan 20# DriStor Bag and one (1) Pro Plan Apron offered by Purina Pro Plan

SCHEDULE OF POINTS FOR DIVISION 1— EFFECTIVE MAY 15, 2024

Division 1 is comprised of: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont.

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of *both* sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of *its own sex* that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AMERICAN KENNEL CLUB

Official Standard for the Labrador Retriever

General Appearance: The Labrador Retriever is a strongly built, medium-sized, short-coupled, dog possessing a sound, athletic, well-balanced conformation that enables it to function as a retrieving gun dog; the substance and soundness to hunt waterfowl or upland game for long hours under difficult conditions; the character and quality to win in the show ring; and the temperament to be a family companion. Physical features and mental characteristics should denote a dog bred to perform as an efficient Retriever of game with a stable temperament suitable for a variety of pursuits beyond the hunting environment.

The most distinguishing characteristics of the Labrador Retriever are its short, dense, weather resistant coat; an "otter" tail; a clean-cut head with broad back skull and moderate stop; powerful jaws; and its "kind," friendly eyes, expressing character, intelligence and good temperament.

Above all, a Labrador Retriever must be well balanced, enabling it to move in the show ring or work in the field with little or no effort. The typical Labrador possesses style and quality without over refinement, and substance without lumber or cloddiness. The Labrador is bred primarily as a working gun dog; structure and soundness are of great importance.

Size, Proportion and Substance: *Size*-The height at the withers for a dog is 22½ to 24½ inches; for a bitch is 21½ to 23½ inches. Any variance greater than ½ inch above or below these heights is a disqualification. Approximate weight of dogs and bitches in working condition: dogs 65 to 80 pounds; bitches 55 to 70 pounds. The minimum height ranges set forth in the paragraph above shall not apply to dogs or bitches under twelve months of age. *Proportion*-Short-coupled; length from the point of the shoulder to the point of the rump is equal to or slightly longer than the distance from the withers to the ground. Distance from the elbow to the ground should be equal to one half of the height at the withers. The brisket should extend to the elbows, but not perceptibly deeper. The body must be of sufficient length to permit a straight, free and efficient stride; but the dog should never appear low and long or tall and leggy in outline. *Substance*-Substance and bone proportionate to the overall dog. Light, "weedy" individuals are definitely incorrect; equally objectionable are cloddy lumbering specimens. Labrador Retrievers shall be shown in working condition well-muscled and without excess fat.

Head: *Skull*-The skull should be wide; well developed but without exaggeration. The skull and foreface should be on parallel planes and of approximately equal length. There should be a moderate stop-the brow slightly pronounced so that the skull is not absolutely in a straight line with the nose. The brow ridges aid in defining the stop. The *head* should be clean-cut and free from fleshy cheeks; the bony structure of the skull chiseled beneath the eye with no prominence in the cheek. The skull may show some median line; the occipital bone is not conspicuous in mature dogs. Lips should not be squared off or pendulous, but fall away in a curve toward the throat. A wedge-shape head, or a head long and narrow in muzzle and back skull is incorrect as are massive, cheeky heads. The jaws are powerful and free from snippiness- the *muzzle* neither long and narrow nor short and stubby. Nose-The nose should be wide and the nostrils well-developed. The nose should be black on black or yellow dogs, and brown on chocolates. Nose color fading to a lighter shade is not a fault. A thoroughly pink nose or one lacking in any pigment is a disqualification. Teeth-The teeth should be strong and regular with a scissors *bite*; the lower teeth just behind, but touching the inner side of the upper incisors. A level bite is acceptable, but not desirable. Undershot, overshot, or misaligned teeth are serious faults. Full dentition is preferred. Missing molars or pre-molars are serious faults. *Ears*-The ears should hang moderately close to the head, set rather far back, and somewhat low on the skull; slightly above eye level. Ears should not be large and heavy, but in proportion with the skull and reach to the inside of the eye when pulled forward. *Eyes*-Kind, friendly eyes imparting good temperament, intelligence and alertness are a hallmark of the breed. They should be of medium size, set well apart, and neither protruding nor deep set. Eye color should be brown in black and yellow Labradors, and brown or hazel in chocolates. Black, or yellow eyes give a harsh expression and are undesirable. Small eyes, set close together or round prominent eyes are not typical of the breed. Eye rims are black in black and yellow Labradors; and brown in chocolates. Eye rims without pigmentation is a disqualification.

Neck, Topline and Body: *Neck*-The neck should be of proper length to allow the dog to retrieve game easily. It should be muscular and free from throatiness. The neck should rise strongly from the shoulders with a moderate arch. A short, thick neck or a "ewe" neck is incorrect. *Topline*-The back is strong and the topline is level from the withers to the croup when standing or moving. However, the loin should show evidence of flexibility for athletic endeavor. *Body*-The Labrador should be short-coupled, with good spring of ribs tapering to a moderately wide chest. The Labrador should not be narrow chested; giving the appearance of hollowness between the front legs, nor should it have a wide spreading, bulldog-like front. Correct chest conformation will result in tapering between the front legs that allows unrestricted forelimb movement. Chest breadth that is either too wide or too narrow for efficient movement and stamina is incorrect. Slab-sided individuals are not typical of the breed; equally objectionable are rotund or barrel chested specimens. The underline is almost straight, with little or no tuck-up in mature animals. Loins should be short, wide and strong; extending to well developed, powerful hindquarters. When viewed from the side, the Labrador Retriever shows a well-developed, but not exaggerated forechest.

Tail-The tail is a distinguishing feature of the breed. It should be very thick at the base, gradually tapering toward

the tip, of medium length, and extending no longer than to the hock. The tail should be free from feathering and clothed thickly all around with the Labrador's short, dense coat, thus having that peculiar rounded appearance that has been described as the "otter" tail. The tail should follow the topline in repose or when in motion. It may be carried gaily, but should not curl over the back. Extremely short tails or long thin tails are serious faults. The tail completes the balance of the Labrador by giving it a flowing line from the top of the head to the tip of the tail. Docking or otherwise altering the length or natural carriage of the tail is a disqualification.

Forequarters: Forequarters should be muscular, well coordinated and balanced with the hindquarters. Shoulders-The shoulders are well laid-back, long and sloping, forming an angle with the upper arm of approximately 90 degrees that permits the dog to move his forelegs in an easy manner with strong forward reach. Ideally, the length of the shoulder blade should equal the length of the upper arm. Straight shoulder blades, short upper arms or heavily muscled or loaded shoulders, all restricting free movement, are incorrect. Front Legs-When viewed from the front, the legs should be straight with good strong bone. Too much bone is as undesirable as too little bone, and short legged, heavy boned individuals are not typical of the breed. Viewed from the side, the elbows should be directly under the withers, and the front legs should be perpendicular to the ground and well under the body. The elbows should be close to the ribs without looseness. Tied-in elbows or being "out at the elbows" interfere with free movement and are serious faults. Pasterns should be strong and short and should slope slightly from the perpendicular line of the leg. Feet are strong and compact, with well-arched toes and well-developed pads. Dew claws may be removed. Splayed feet, hare feet, knuckling over, or feet turning in or out are serious faults.

Hindquarters: The Labrador's hindquarters are broad, muscular and well-developed from the hip to the hock with well-turned stifles and strong short hocks. Viewed from the rear, the hind legs are straight and parallel. Viewed from the side, the angulation of the rear legs is in balance with the front. The hind legs are strongly boned, muscled with moderate angulation at the stifle, and powerful, clearly defined thighs. The stifle is strong and there is no slippage of the patellae while in motion or when standing. The hock joints are strong, well let down and do not slip or hyper-extend while in motion or when standing. Angulation of both stifle and hock joint is such as to achieve the optimal balance of drive and traction. When standing the rear toes are only slightly behind the point of the rump. Over angulation produces a sloping topline not typical of the breed. Feet are strong and compact, with well-arched toes and well-developed pads. Cow-hocks, spread hocks, sickle hocks and over-angulation are serious structural defects and are to be faulted.

Coat: The coat is a distinctive feature of the Labrador Retriever. It should be short, straight and very dense, giving a fairly hard feeling to the hand. The Labrador should have a soft, weather-resistant undercoat that provides protection from water, cold and all types of ground cover. A slight wave down the back is permissible. Woolly coats, soft silky coats, and sparse slick coats are not typical of the breed, and should be severely penalized.

Color: The Labrador Retriever coat colors are black, yellow and chocolate. Any other color or a combination of colors is a disqualification. A small white spot on the chest is permissible, but not desirable. White hairs from aging or scarring are not to be misinterpreted as brindling. Black-Blacks are all black. A black with brindle markings or a black with tan markings is a disqualification. Yellow-Yellows may range in color from fox-red to light cream, with variations in shading on the ears, back, and underparts of the dog. Chocolate-Chocolates can vary in shade from light to dark chocolate. Chocolate with brindle or tan markings is a disqualification.

Movement: Movement of the Labrador Retriever should be free and effortless. When watching a dog move toward oneself, there should be no sign of elbows out. Rather, the elbows should be held neatly to the body with the legs not too close together. Moving straight forward without pacing or weaving, the legs should form straight lines, with all parts moving in the same plane. Upon viewing the dog from the rear, one should have the impression that the hind legs move as nearly as possible in a parallel line with the front legs. The hocks should do their full share of the work, flexing well, giving the appearance of power and strength. When viewed from the side, the shoulders should move freely and effortlessly, and the foreleg should reach forward close to the ground with extension. A short, choppy movement or high knee action indicates a straight shoulder; paddling indicates long, weak pasterns; and a short, stilted rear gait indicates a straight rear assembly; all are serious faults. Movement faults interfering with performance including weaving; side-winding; crossing over; high knee action; paddling; and short, choppy movement, should be severely penalized.

Temperament: True Labrador Retriever temperament is as much a hallmark of the breed as the "otter" tail. The ideal disposition is one of a kindly, outgoing, tractable nature; eager to please and non-aggressive towards man or animal. The Labrador has much that appeals to people; his gentle ways, intelligence and adaptability make him an ideal dog. Aggressiveness towards humans or other animals, or any evidence of shyness in an adult should be severely penalized.

Disqualifications: 1. Any deviation from the height prescribed in the Standard. 2. A thoroughly pink nose or one lacking in any pigment. 3. Eye rims without pigment. 4. Docking or otherwise altering the length or natural carriage of the tail. 5. Any other color or a combination of colors other than black, yellow or chocolate as described in the Standard.

Approved February 12, 1994
Effective March 31, 1994

Patricia Collom

Windrose Labradors

Conformation

I grew up with a pet Labrador Retriever and we always told him he was the “most handsome dog ever”. When traveling in England with my daughters one summer I saw a gentleman with a beautiful black Labrador at an outdoor market. We stopped and chatted, and I was smitten - with the dog! I knew then that I wanted a big, substantial, gentle male Labrador like that one. I was on a quest. My husband was an avid waterfowl hunter, but I wanted a dog to show in conformation. So, we went to Sweden where the dogs had to perform in the field to earn a championship. I met Pia Razera-Brulin who trusted me and my daughter with 7-month-old Winnie’s Block Buster. Casper was everything a Labrador should be and became a Ch MH, a wonderful producer and trusted friend. He opened a whole world to me that I never imagined. I have been breeding for over 25 years, aiming for a well-constructed, typey, healthy, confident and biddable Labrador. I have competed in conformation, hunt tests, obedience and rally with my dogs. I have met so many wonderful people from all over the world through the dogs and feel very blessed to be a part of this fabulous community of Labradors and their people. I look forward to and thank the LRC for inviting me to judge the Regional Labrador Specialty in 2024.

Tom Shearer

BonaVenture Labradors

Conformation

To the members and exhibitors – it is an honor to judge this Specialty.

My love for animals began as a youngster on our farm in Central Kentucky. If it lived on the farm, I tried to show it! My dad was an avid upland game hunter, and we owned several field breeds, but never a Labrador. One day fate brought a stray chocolate Lab to the farm and the “venture” began. Eventually this boy was reunited with his original owner. I then acquired a chocolate male named Brandy. A great companion and therapy dog with three obedience titles. Next, was a chocolate girl named Belle – a daughter of Charway Maverick – the year was 1991 and BonaVenture Labradors was established. Belle produced my first Specialty winner, a chocolate girl named Molly – AKC/CAN CH BonaVenture’s Borowick Mahogany WC. It’s been a wonderful journey. Along the way I met a lady that liked dogs, so I asked her to be my wife! Today, Gail and I still get excited when a young pup catches our eye, and the daydreaming begins again.

Thank you for this opportunity!

Tom

Barbara Randale

Remington

Sweeps/Special

I began my love for showing dogs as a young girl, with our neighbors who had lovely Ch. Irish Setters. At 15, I found my first obedience dog, a Blue Merle Aussie I adored. We were inseparable. College, Job, Marriage, and kids followed, and she was a steady companion. In 1994, at 14 we lost her and that is when we acquired our first Labrador, an "Irish Setter Red" labrador for my husband for upland hunting. 30 years ago, you did not see many, but I was determined to do everything with him. I went to field training, where I put a JH on him, then started showing him. He had nice type going back on Williston Brownsmith, Lawnwood Hot Chocolate, and many more dogs of the day. I quickly learned from my mentors that starting with a boy was a tough go, especially a dark red boy back then.

Following the advice, I was fortunate to purchase the best show girls I could get. A Black Brackling Mike daughter whom I never finished, but she produced champions in all three colors. One being a top 5 labrador, BISSCH Remingtons Sidekick. And my foundation chocolate girl Ch Remingtons Classic Clove. My foundation yellow girl was special, BPISS CH Simerdown's Picture Perfect, and from there I was hooked. Years of studying pedigrees, sleepless nights anguishing over litters, traveling to shows, and learning everything my many mentors taught. Today I have owned, bred, or co-owned over 40 plus Champions, multiple top 5 Labradors, and titled dogs in the field and obedience.

Blessed is an understatement for the knowledge, wisdom, and friendships that Labradors have brought into my life.

Other breeds I have owned and titled, a Ch Australian Shepard, #3 Ch. American Water Spaniel (whom I showed myself), and now I have a couple Clumber Spaniels I am dabbling with. Always learning from each one!

I have been an active Member of the LRCGD since 1996 and look forward to being a part of the National Club. Labradors have been a passion, and those that know me, realize that stewardship over the breed is taken seriously. I love promoting Juniors, mentoring, educating about the breed, and look forward to moving on to judging.

My first Sweeps assignment was 10 plus years ago, and each one since has been an honor and privilege to judge. These young dogs and the exhibitors are the future of our breed, and it is a privilege to be able to evaluate them.

Thank you for this honor to judge Sweeps at the National!

Sam Houston McDonald

Sweepstakes/Specials

Sam has been involved in purebred dogs most of his life. His family had Cocker Spaniels, which they hunted over, Border Collies and Australian Shepherds, which worked the stock on the farm. Later Sam acquired his first Irish Setter and now more than 56 years later, he continues his love for them especially in judge and breeder education. He has bred numerous champions and owned several Group and Best in Show winners as well as field trial contenders. For the past 24 years he has been heavily involved with Irish Wolfhounds having started co-breeding with Samuel Ewing and continuing the Eagle lines after Mr. Ewing's death. Sam has also owned Wirehaired Pointing Griffons, Beagles, Scottish Deerhounds, and a Wirehaired Dachshund.

Sam is a Past President of the Irish Setter Club of America, serving on the board for 25 years, a member of several All-Breed Clubs including Bryn Mawr Kennel Club where he serves as President. He currently serves as Chairman of the Irish Setter Club of America Foundation, continuing to be involved in raising funds to support health research to improve the overall health of the breed. He also serves as a President for the Dog Judges Association of America.

He has authored a number of articles for a variety of publications including a five-part series for the American Kennel Club Gazette discussing the entire Sporting Group on form as it relates to function. He has also been featured in articles dealing with his practices of breeding, showing Irish Wolfhounds and Irish Setters, and judging pure-bred dogs.

After working as a Speech Pathologist in the Fort Worth, Texas Public Schools he retired and moved to Chester Springs, Pennsylvania where he lived for 20 years at Eagle Farms continuing to raise his Irish Setters and Irish Wolfhounds. Four years ago, he returned to his home state of Texas.

Sam is very pleased and honored to be asked to judge at the Labrador National Specialty.

Shelah Ricco

Mainland Kennels

Sweeps/ Specials

I grew up with Poodles and Miniature Pinschers. Under my mother's kennel prefix "Island", I got my start in the world of well-bred show dogs. Mother (Janice Horne) coached me through the ups and downs of breeding and showing. Growing up in a hunting family, I knew I wanted a larger, more versatile dog. My uncle had a lovely yellow Labrador for Georgia Gooch "Ramblin". I fell in love with the breed and made it my goal to own a Labrador.

My first Labrador, Seely, was purchased in 1994. We competed in Conformation, Obedience, Agility and Hunt Tests. Working with my Labrador mentors, I quickly became active in the Puget Sound LRA. Volunteering to serve as Event Chair and Event Secretary, as well as several Board of Director and Officer positions. My first judging assignment was at Junior Hunter level at a Hunt Test. Soon after I was honored to judge first Sweepstakes Conformation assignment for the Pacific Northwest Miniature Pinscher Club. In 2001 I achieved a major goal, becoming a member of the Seattle Kennel Club. Working with local enthusiasts, I'm a founding member of the Rainer Sporting Dog Association and Mt. Rainer LRC.

Over the years I have bred and exhibited many breeds. Labradors have always been my favorite, being my versatile hunting and event partners. I've proudly bred and co-bred many Champions and Speciality winners. Some of

my Favorites were MBISS Am/Can Mainland Seasac Third-Times-A-Charm, MBOSS, MBPISS Mainland's Pembroke Phinney, BISS, MBPISS Am/Can Ch Mainland's Stroker Ace, Am/Can GCh Mainland's Maxwell Smart and GCH Mainland's Agent 99. MBISS GCHG Mainland's Little Ricky Ricardo, owned by The Gutenberg's, was BOB at Westminster. BISS Am/Can Ch Ghoststone's Boomtown will forever be my favorite boy, purchased from Judy Chambers.

Thank you for inviting me to judge Sweepstakes for the Labrador Retriever Club, Inc. I'm Looking forward to seeing beautiful puppies and veterans.

Denise Lacroix

Ledgeland

Obedience & Rally

When I was 9 my parents bought me my first dog, Tinkerbelle, a rough Collie that I trained to do tricks and some obedience. I guess I have been judging dog shows since I was 11 when I would put on dog shows in my yard judging the neighborhood kids with their dogs. My first obedience dog as an adult was my Great Dane, Brindle. We never made it to trials only matches. We bred and showed (confirmation) Alaskan Malamutes for years. No obedience but they loved to pull sleds. My first obedience dog was my Standard Poodle Ledgeland's Tiger Lily UD. Our love for Corgis started in the 70's when we bought our first Pembroke Welsh Corgi, Rottie, for my son Billy to show in Jr Showmanship. My corgis have earned numerous obedience, rally, tracking, agility and herding titles. We have earned 3 AKC Versatile Companion 1 titles and 2 VCD 2 titles. Right now I have 2 corgis Maisey, 13 ½ and Duncan, 3 ½. I have been an AKC Obedience judge since 2001 and Rally judge since it started. I also judge AKC Farm Dog, Temperament Testing, CGC and Trick Dog. I really enjoy judging. I still compete so I can feel your pain and celebrate your victories. I wish more competitors would realize our dogs love us, win or lose. I dislike competitors that get upset with their dogs when things don't go right. Dogs are dogs, they don't purposely not sit or ignore you on the drop on recall. They don't ask to be in the ring, they are there because they love you. We ask a lot of them. We should be more understanding. My Maisey, a rescue was 4 ½ when we were fostering her, then decided to keep her. She was dog reactive, a fear biter and we had to chase her around the house to catch her. Today she is Ledgeland's Miss Maisey VCD 1, NA NAJ BN PCD TD HT FDC. TKA, CGCA RAE CDX RATS. Her scores were never the best, but we were thrilled to walk out of that ring with a green ribbon. You should be too. Our titles don't come with scores. Try to keep it fun for you and your dogs. I look forward to judging the Labrador Retriever Club. Thank you, Denise Lacroix

Ms. Elizabeth Cleaves

Auntie Dog

Rally

Liz fell in love with the sport of Rally with her GSD, Jaeger and Doberman, Sieben. She continued her Rally journey with Boston Terriers, Newman and Sal. GSD, Anya Lorin earned her RACH in 2021. Liz is currently competing with Boston Terrier, Sunwood's FortaTude and preparing GSD, Drei ist der Charme von Olympia for competition.

Liz enjoys designing Rally courses that are fast and challenging. In her opinion, the best courses are fun courses, that keep both dog and handler on their toes/paws. She likes to remind exhibitors to "Smile, your dog is watching you!"

Liz is the Owner and Training Director of The Auntie Dog Training Studio in Tewksbury, MA. When not training, exhibiting or judging she enjoys traveling and visiting new places.

Inga Hooper

Agility

Inga began competing in Agility in 2009 with Baron, her Golden Retriever. She currently competes with two Golden Retrievers: Banter (11) and Brig (4). In April 2023, Inga adopted her first small dog, a terrier mix puppy, Widget, who will test her training and handling skills. Inga resides in South River, NJ with her husband, Kevin; their son, Griffin, is a senior at Loyola Marymount University in Los Angeles. Now semi-retired, Inga works part time at Starbucks, avidly supports the New York Red Bulls, and enjoys crocheting when not preparing for judging assignments.

Paul Botelho

Dartmoor Retrievers

Hunt Test

Paul Botelho has been involved in training, competing and breeding Labrador retrievers for the past forty years. He started in 1982 as an avid hunter looking for a companion in the field, and soon realized that he had a

passion and an aptitude for training and running the dogs. In 1993, Paul attended the Canine Accelerant Detection School at the Frederick L. Warder Academy of Fire Science in Montour Falls, NY, where he and his canine partner Cody graduated at the top of their class. Paul went on to assist the Fall River Fire Department and departments in surrounding towns with many arson investigations before Cody retired.

Paul has finished 7 Master National qualifiers including the first dog from New England to qualify at a Master National, and a mother/son pair at the same event.

He has finished upwards of 75 Master Hunters and numerous Senior and Junior Hunters. Under his tutelage, his clients and students have finished many of their own dogs as well.

Paul's kennel Dartmoor Retrievers, produces several select litters a year of puppies carefully chosen to be excellent hunting dogs, and active family companions who exemplify the standards of the breed. The puppies have been placed in homes across the country, and also close by where they frequently join Paul's training group.

Although he is busy with training and with puppies, Paul tries to give back to the sport by judging several times a year. While he most often judges the Master, he loves judging the Junior Stake and watching the dogs' raw talent and excitement at the beginning of their careers.

Karen Kase

Gypsybog

Hunt Test

In 1989, I got my first Labrador -- Ch. Willcare Gypsy Chitina, MH, CD: Master National qualifier, Field Trial Qualifying JAM and multiple specialty JAM's (mostly as a Veteran). She was my Labrador of a lifetime, and I've been trying to live up to her ever since. Soon after followed "Keet", Ch Willcare Gypsy Talkeetna, CD, MH. He was an impressive gentleman with the patience to carry him through all that we asked of him, and a head that would retrieve two pheasants at once. I appreciate the challenges of pursuing field along with conformation. Our limited breeding has produced (owner trained & handled) MH's & MN qualifiers, major-pointed Labs, UDX, Agility & Rally titles, assistance dogs, but most importantly family pets and hunting companions.

As a longtime member of LRCGB, I have served on the BOD and as an officer. However, the greatest satisfaction I have is seeing all the graduates of my beginner class continue to their own HRT titles, lead training classes and run at the Master National. I have also been a member of Colonial Retriever Field Trial Club, LRC and a charter member of & delegate to MNRC, and I volunteer on my town's Animal Control Advisory Board.

I am an 8 point licensed AKC HRT judge. I live in Sterling, MA and serve as CFO for a Providence jewelry manufacturer, and I continue limited hunting, light training and showing. I am honored by your invitation to judge at the LRC National Specialty.

Caroline Oldham

Scent Work

Caroline Oldham has trained and competed with dogs since 2004, participating in Scent Work, Nosework, Rally, Obedience, Dock Diving, and Shed Hunt. She has put five personal dogs through scent training and competition, finishing the AKC Detective Title with Katie, her Belgian Malinois and NW3 and several Detective legs with her Labrador Retriever, Rebarre. She holds judging licenses with AKC, UKC, C-WAGS, ASCA and USCSS. She has currently judged over 155 AKC Scent Work trials and finds huge satisfaction in presenting first Qualifying Scores to brand new competitors as well as challenging the seasoned teams. Caroline is the owner of Southern DFW Scent Training in Midlothian, TX, where she hosts over 35 teams a week to extensive training sessions in foundations through trial preparation focusing on the exposure piece.

Her motto, "It's All About the Journey" is manifested by not only focusing on solid skills and technique, but strengthening the bond with the canine teammate by focusing on relationship, rewards, motivation of both dog and handler, dog language, and the dog's perception of the sport.

William J. Gaskins III

Scent Work

Bill Gaskins comes to you by way of the US Air Force from Beaverton Oregon. After 21 years in the US Air Force, he retired to spend more time with his Jersey Girls; Wife Melissa and Daughters McKenna and Baylee.

Bill is the son of two retired police officers in Oregon and has been working with and training police dogs since he was 11 years old. During his Air Force Experience Bill served as a Law Enforcement Specialist Military Working Dog Handler of 10 different dogs, Trainer for over 50 operational K9 Teams, and Kennel Master managing kennel operations all over the world. As a canine training instructor, Bill trained and certified 624 operational Canine Teams for deployment to Iraq and Afghanistan in tasks from Obedience, Patrol Protection, as well as Explosive and Narcotics detection. Bills experience culminated as the Course Director of 5 different College Credit awarding canine training programs where he developed and delivered courseware and evaluated dog teams on three levels; dog, handler, and overall team.

Bill is a sport Scent Work Judge for all levels of AKC Scent Work and an NACSW Judge, judging trials all over the Northeast and Southwest. Bill is also a Certified Nose Work Instructor (CNWI) through NACSW.

His motto is; Whatever you “Seek” I’ll train your dog to find.

RETRIEVERS (LABRADOR)

SWEEPSTAKES

Wednesday Judge: Barbara Randle

Thursday Judge: Shelah Ricco

PUPPY SWEEPSTAKES: Puppy Sweepstakes rules are as follows:

Labrador Retrievers 6 months and under 18 months are eligible.

Champions of Record in any country are ineligible.

Sweepstakes Classes will be judged prior to or after the Regular Puppy Classes as appropriate for the number of entries, but not concurrently. Specific Sweepstakes Classes must be given on entry blanks in space marked "Additional Classes." State Sweepstakes Dog or Bitch, proper age and color (Black or Any Other Allowed Color designated below as AOAC*.) Entry fee due with regular fee. If any dog becomes ineligible after the close of entries, the dog must be withdrawn. Entry fee will not be refunded. Dogs MUST also be entered in a Regular Class. Entry fee is \$30.

JUNIOR SHOWMANSHIP COMPETITION

AKC Junior Handler Numbers are now required for entry in Junior Showmanship Competition. Numbers may be obtained from the American Kennel Club - PHONE: 919 233-9767.

For additional information contact American Kennel Club, Junior Showmanship, P. O. Box 900051, Raleigh, NC 27675. Phone 919 233-9767 or E-Mail: juniors@akc.org

Entry blank MUST be filled out with the necessary information, otherwise the entry in Junior Showmanship will not be accepted.

NOVICE CLASS: For Boys and Girls who are at least 9 years old and under 18 years old on the day of the show and who, at the time entries close, have not won three First Places with competition present in a Novice Class at a licensed or member show.

OPEN CLASS: For Boys and Girls who are at least 9 years old and under 18 years old on the day of the show and who, at the time entries close, have won three First Places, with competition present, in a Novice Showmanship Class at a licensed or member show.

MASTER CLASS: This Class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have won the 10 Best Junior wins with competition from the Open Class to be eligible to enter the Limited Class Competition. The calendar for this class will consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to complete for the following year.

Competition must exist for Best Junior Handler.

Judge: Julie Jussaume

Gracie AKA Official Name: Grampian
Puckwudgie Power Keg Dy-NO-
Myte CGC,
THDX
(Therapy Dog
Excellent)

Hula AKA
Retired
Champion
Grampian L'A Kapi 'HULA' CGC
THDD (Therapy Dog Distinguished)

GRACIE and HULA are First Responder Therapy Dog teams –
firstrespondertherapydogs.org

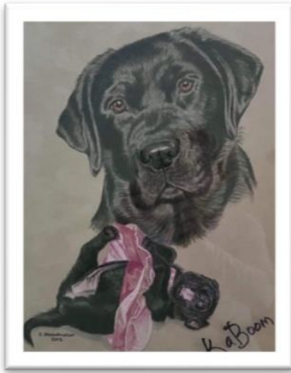

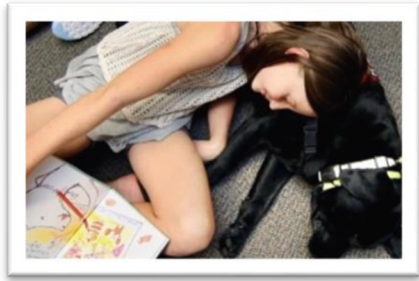

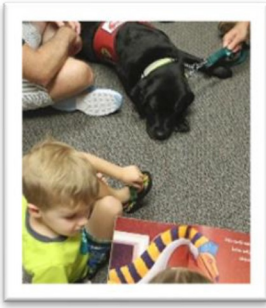

First Responder Therapy Dogs lead the way in addressing
mental health needs of first responders by providing the
emotional support therapy they were trained to do.

Inspired by our specially trained animal-assisted therapy teams,
we strive to ease sadness and spread joy, laughter, comfort, and
warmth.

GRACIE and HULA also run a program called *Puppy Tales* at the
Hopkinton, MA Public Library through Pets and People –
www.petsandpeoplefoundation.org

You can learn more about Hula and stay up to date with her
activities by following her on Instagram –

Am/Can Ch Grampian Lil'
Puckwudgie KaBoom JH, Can
WC TKN CGC THDD
July 4, 2008 – April 28, 2022

KaBoom joined our family at age six from the Grampian Labrador pack. With us, she reunited with her daughter Gracie, one of fifteen puppies she gifted to the world. We didn't let her retire completely – she joined Gracie to work as a therapy dog. KaBoom cemented her second career fame at the Hopkinton Library, hosting Puppy Tales, our town's Wednesday evening program for young readers. KaBoom achieved the AKC Title, "Therapy Dog Distinguished" (THDD). She did return to the show ring at age 11 and won Best Veteran at the June 2020 Puppy Summer Social Match. I'm not sure the match was fair to the other competitors (I have a hunch the judge was biased!), but I do know she will always be a champion. Most important to us, 'Boomie' was an amazing companion and friend for us.

We want to extend our heartfelt thanks to **Grampian Labradors and Robbin Anderson** for her dedication to breeding outstanding Labradors. Your exceptional dogs have made it possible for us to train and work with Three outstanding **Grampian** Therapy Dogs, who bring comfort and healing to so many. Your commitment to quality and care ensures that each pup is the perfect foundation for a life of service and companionship. Thank you for helping us make a difference—one good dog at a time.

With gratitude,
Will & Liz Richmond
