# Welcome to the 84<sup>th</sup> National Specialty!

**Golden Retriever  
Club of America®**

The GRCA Board of Directors joins me in welcoming you to the 2024 GRCA National Specialty!

Each year we have the rare opportunity to experience the unique nature of an unfamiliar region in this vast and bountiful country of ours. This year we're offered the history and long-established culture of the Northeast. Whether you're participating or have come to watch, I hope you take the time to sample plenty of the local cuisine and immerse yourself in all that this historic region has to offer!

Always remember, our National Specialty runs on Volunteer Power and depends on selfless people coming together to make it happen. As GRCA members we owe it to each other - and to our dogs - to do what we can to make this and future National Specialties successful. Volunteer!

Thank you in advance to each and every person who helps set up, tear down, decorate, plan and/or execute every part of this National. Volunteers genuinely love being a part of this sporting dog world and understand the obligation to 'give back'. It simply can't and won't happen without you!

Best of Luck!

Patty McCabe  
GRCA President

Welcome!

The Golden Retriever Club of America is proud to be the host of the 84th GRCA National Specialty. Our theme is "The Golden Retrievers are Coming" and coming to the New England States of Massachusetts, New York, and Connecticut — the Golden Retrievers have arrived. We would like to welcome our exhibitors and friends from across the United States, Canada and throughout the world.

Our spectacular show is brought to you courtesy of our hardworking GRCA members and friends who tirelessly worked to put together this wonderful National.

Please take a look at our list of Event Chairs, Committee chairs and members who deserve a round of applause for helping to put together the 2024 GRCA National Specialty. And to all the individuals, GRCA member clubs and corporate donors—we salute you as we could not have pulled this off without your generous support.

We're hoping you enjoy your New England stay, renew old friendships and make new ones. Enjoy the show and our wonderful world of Golden Retrievers!

Thank you for coming!

Sharon Shilkoff  
2024 GRCA National Specialty Chairperson

# CONFORMATION JUDGES

## Ken Matthews Intersex

Chuckanut Retrievers was conceived in the mid-1980s by Ken Matthews and Wayne Miller.

Wayne passed away in 2017 and I continued on alone. We both were very accomplished as breeder/owner handlers and passionate about the sport and the Golden Retriever breed itself.

Several things we are most proud of are: Several Champions, Multiple SDHF dogs, Breeder/Owner handled Bests in Show, many Best In Specialty Shows, Junior Hunter, WC WCX, some Owner/Handled National wins including Winners Dog and Winners Bitch, Best In Sweepstakes, Best in Gun Dog Sweeps and Winner of the Top 20. The pinnacle for us was winning Best of Breed at the Westminster Kennel Club show and on to being the first ever to win the Sporting Group owner

handled.

I also served on the GRCA National Board of Directors and sat on multiple educational breed panels.

A few favorite judging assignments for me were: Sweepstakes at the GRCA National Specialty, GR Club of Canada's National Specialty; GR Club of China National Specialty. I am humbled and honored to have been voted in by the membership and I will do my best to not let you down.

## Barbara Pepper, Dogs

Barbara Pepper has been involved with Purebred dogs for much of her life. She bought her first in 1968, and began showing in the early 1970's. She has bred and finished numerous champions, including National Specialty, Independent Specialty, Group and Best in Show winners. She personally handled one of the first Golden Retriever Bitches to achieve GRCA Show Dog Hall of Fame status. Dogs she has bred were not only successful in the breed ring but did well for their owners in performance events and in the field with active hunters.

Barbara has been judging Golden Retrievers and PBGVs since 1991. Currently she is approved by AKC for all Hound breeds & the Hound Group, all Sporting

breeds & the Group, Cavaliers, English Toy Spaniels, Italian Greyhounds, Junior Showmanship, and Best In Show.

Barbara was given the huge honor of judging Best of Breed at the 2011 GRCA National. In 2016 had the privilege of judging at both the Westminster Kennel Club and the AKC Show in Orlando. Barbara has also had the pleasure of judging in other countries, including Canada, China, Indonesia, Thailand, and South Korea. Barbara feels it is a very deep honor, privilege and responsibility to have been elected to judge Dogs at the 2024 GRCA National.

## Pluis Davern, Bitches

I purchased my first golden Retriever in 1967 and ran her in Obedience and Field events as well as Conformation. From then on I bred several litters of dual purpose dogs. I started training professionally in the early 1970s. When I became a single mom, dog training became my livelihood. I became a member of the Professional Handlers Association in the early '80s and finished dogs in the Sporting, Hound and Working Groups.

I started Sundowners Kennels, now located in Gilroy, CA in 1969 and train for obedience, gun dog and disaster search and rescue. As a breeder and trainer, I am dedicated to the concept of form and function. Currently I am

approved by AKC to judge the Sporting Group and nine hound breeds as well as Best in Show and Junior Showmanship. In 2011 I was honored by being awarded Breeder of the Year by the American Kennel Club for my Sussex Spaniels.

I have bred and owned Best in Show, Master Hunter, Obedience and Agility titled Sussex Spaniels and Champion and performance titled Golden Retrievers, Labradors, German Shorthaired Pointers and Vizslas.

## Lauren Texter, Junior Showmanship

Lauren stepped into the dog show ring at nine years old, and immediately was hooked on the sport. In her early Junior Showmanship years she exclusively exhibited Golden Retrievers, often utilizing this time to train puppies in the ring, where she learned the importance of not only patience with puppies but the care and bond with her dogs. Lauren spent her Junior years being mentored by many top Sporting Dog handlers from across the country and is thankful to all her mentors. Towards the end of her Junior Showmanship career, she was a top ranked Golden Retriever and Sporting Dog Junior and won Best Junior Handler at

the 2010 GRCA National.

Over the last two decades, she has bred, owned, trained, and handled Goldens to their championships as well as winning multiple Best in Specialites, Best in Sweeps, Best Veteran, and group placements. After college, she moved from CA to MA where she lives with her (now) 11 year old Golden Retriever making appearances in the Veterans ring. She is a current member of the GRCA, YGRC, GRGCLA, and hopes to continue judging in both the Junior Showmanship and Golden Retriever rings.

# **SWEEPSTAKES JUDGES**

## **Ellen Schultz, Dogs**

Dogs have been a part of my life for as long as I can remember. Growing up in a family with avid bird hunters, we always had at least one or two Labrador retrievers. In the early seventies my next door neighbor who was more like a big sister to me, went to school in Edinburgh, Scotland and returned home with a magnificent golden retriever. It was then that I decided my first dog would be a golden retriever. In 1994, I purchased my first golden from Mary Tatum and Helen Dorrance. Cowboy was going to be strictly a pet. Little did I know at the time that Cowboy would go on to become known as Ch Watermarks Regal Cowboy, SDHF, JH, CD, VCX.

Several years later I acquired a Cowboy daughter and established Apollo Golden. I have bred under the Apollo kennel name since 2001. I have always believed that goldens are a multi-purpose breed. I am most proud of the fact that I have produced dogs who have been titled in every venue.

Last year I became a licensed AKC conformation judge. Currently I am licensed to judge Golden retrievers, Labrador retrievers and Nova Scotia Duck Tolling retrievers.

I am a longstanding member of the Golden Retriever Club of America and the Greater Houston Golden Retriever Club where I have also served in many capacities. Thank you to the GRCA membership for selecting me to judge your sweeps at the National. I am truly honored.

## **Judy Slayton Bachofner, Bitches**

I am honored and privileged to have been voted on to judge Sweepstakes Bitches, Veteran Bitches and Best Veteran and BVOS at this year's National Specialty. WOW I am excited! I have been involved with this noble breed of ours for 51 years now. As we continue to work together to breed sound golden retrievers, who adhere to our standard, our future remains bright. I wish everyone a memorable National, reuniting with old friends, making new friends, and treasuring all that is golden.

## **Claire Caro, Gundog Sweepstakes**

My heartiest applause to all who have worked to put field titles on their dogs. And my great thanks to the GRCA for adding such a wonderful competition to our National Specialty. My support of this sweepstakes began with my stewarding in 2011, at the inaugural Gun Dog Sweeps.

My first Golden Retriever was born in 1973. She excelled in Obedience, and I was hooked with the sport of dogs. My dogs were all trained and handled by me; many were breeder/owner handled to their conformation championships as well as obedience and field (WC/X and Hunt Test)

titles. Each winter, I would tease that I had to go to Carmel so I could swim/train my dogs. What a wonderful time to visit with Suzi Bluford, Meg Beck and Wendy Johnston! The warmth and seafood made it all so much fun; and we also received some JH legs. I was a multiple recipient of the GRCA Ginger Gotcher Memorial annual trophy and one year also the recipient of the Ch Wessala Pride Of Golden Pine annual trophy. I am a Lifetime Member of the GRCA; have served on the BOD for 8 years as secretary and treasurer; and presently serve as secretary of the Golden Retriever Foundation.

Thank you for offering such an exciting opportunity for me to recognize our beautiful breed in the various levels of field accomplishment. Good Luck to all at the NS events. I am honored to have this opportunity and I dedicate my judging to dear Meg Beck, who loved the sport and her dogs.

## **OBEDIENCE & RALLY JUDGES**

### **Elizabeth "Tibby" Chase Obedience/Rally**

As a child I wanted a Welsh Pony. My sensible parents gave me a Welsh Corgi. That first corgi all those years ago was my first HIT dog. I train and show dogs in obedience, rally, agility, herding, tracking, nose work, conformation and lots of other fun venues. I have taught dog training classes for over 40 years, been a 4H leader, therapy dog trainer and participant. I started judging AKC obedience in 1990 and Rally in 2006. I love both venues.

I have been privileged to judge Obedience and Rally for many breed specialties. It is always fun to spend a day with folks who are passionate about their breed. Your Golden Retrievers are an outstanding performance breed. I love their upbeat attitude and connection with their owners. The swish of their tails, the sparkle in their eye conveys the joy they find in working with their handlers. Thank you for asking me to judge Obedience at the Golden Retriever National Specialty. I consider it an honor and look forward to a fun assignment. Best of luck to all competitors.

## David Brobst Obedience/Rally

When growing up in Harrington, DE, my family had a Collie. I remember as a young kid going to a local farmer to pick out my first dog. My Collie was a female but as a young kid, I insisted that she be named Laddie. Laddie was a great dog, always my dog. My Mom would feed and brush her but Laddie was my dog. Laddie would follow me everywhere even when I would ride my bike, great dog.

While in graduate school, I had Miniature Schnauzers and even had one litter. One litter was enough. Since 1985 I have trained Norwich Terriers. We have earned CD, CDX, UD, MX and AXJ agility, and Rally titles. While working with my first Norwich in Utility, I remember what I thought was a very good run at a trial and getting a 169 1/2. I said to the Judge, "please give me a 1/2 point or take off another 30." The

Judge said "That is what you earned and that is what you will get." Needless to say, I almost quit but did not and went on to get a UD.

I have taught many levels of dog obedience and Rally at our local dog club, helped organize Obedience and Rally run throughs, supporting my wife as the trial secretary for our local club for their Rally and Obedience trials. Before Covid, my wife and I would take our Norwich to a local Nursing Home for therapy visits. The residents really loved our dogs. At this same Nursing Home, I would take my Norwich and call BINGO every Friday afternoon. (If I did not bring my Norwich the residents would not be happy). Every time before the next game I would say "Clear your cards and everybody plays", my Norwich would put his paws on the arm of the chair indicating he wanted his treat NOW! All the residents would yell in unison, "Feed the Dog!"

I am an AKC Rally Judge and an AKC Obedience Judge. I was honored to judge the Rally Nationals in Tulsa, OK and to judge the AKC Classic in Orlando, FL. I am currently having fun with my Norwich training Obedience and Tracking. Dogs are so much fun and during my training I say that "If it was easy, everybody would do it." Good Luck to everyone!

## Stephanie Podejko Obedience/Rally

Stephanie Podejko has been involved in dog sports with her Dalmatians since 1985. She became interested in obedience when she saw a woman working her dog and decided she would like to try it with "Esha" her first Dalmatian. Stephanie has since gone on to put multiple obedience titles on multiple breeds of dogs. This would include a Petit Basset Griffon Vendeen, Golden Retrievers and Border Collies as well as Dalmatians. She has completed

several UD's as well as several OTCH's and was honored to be invited to compete several times at the NOI (AKC National Obedience Invitational) and also the RNC and NOC.

She has also added several other performance sports over the years and has titled her dogs in them as well. This would include Rally, Agility and started Herding in 2020 with her Border Collie, Nikki. Stephanie has put several MACH's, (Master Agility Champion) as well as RM's (Rally Master) on her dogs.

Stephanie has been involved in breeding Dalmatians since 1988 when she bred her first litter. These dogs have since carried her kennel name "Stonehill" and have gone on to earn dual titles

in Conformation and multiple venues of Performance. She has also co-bred and shown several other breeds including Labrador Retrievers, Golden Retrievers and Border Collies to their AKC Championships.

Stephanie was fortunate to be one of the first people to compete and title her Dalmatians in Rally when it started.

Stephanie applied for and received her AKC judging license in 2011 for Obedience and Rally. She has judged all over the United States. She was honored to have Judged the AKC Classic as well as the RNC and NOC.

She has also been involved in several dog clubs including President of "The Onondaga Kennel Club" and "Syracuse Obedience Training Club" and on the board of "The Dalmatian Club of America".

Stephanie is the owner and trainer at "Stonehill Training Center" where she focuses on teaching Obedience, Rally and Agility. She is currently working her young Dalmatian, Henry and her Border Collies Nikki and Diva, in Agility and Obedience and Rally.

Wishing All Exhibitors the best of Luck at This National.

## CCA EVALUATORS – SPRAKERS

### Elizabeth Greenfield

I thank the Club for the invitation to be a CCA Evaluator at the 2024 National. The best part is the location of Sprakers NY. It is in my own backyard. The even better part is it will be concurring with the Hunt Test. Sprakers is located in the historic Mohawk River Valley, a short drive to Cooperstown, Albany, and Saratoga.

I am currently a board member and specialty chairperson for the Golden Retriever Club of Central New York, also a member of the Onondaga Kennel Association. I also became an AKC Certified Steward in 2023. I am semi-retired and have a job that allows me to work from home. I enjoy training for rally and obedience, conformation, and field. I am currently judging all retrievers with Chessies being the last one to gain provisional status. I plan on applying for setters and pointers in 2024. The CCA assignments are numerous. The Committee is seeking candidates for both Cat 1 and Cat 2 evaluators., so please refer anyone to our committee.

## Chris Miele

After getting my first Golden in 1980, I have been graced with many more over the past 43 years including all those who have been bred under the Cross Creek Goldens Kennel Name. I was one of the first 20 AKC Agility Judges and sat on the advisory boards for that sport through the development of the MACH program. And I am a Conformation and CCA Category 2 Judge.

I am proud of both my Breed Champions and my Agility Champion as well as the Rally and Obedience titles I have been able to achieve on my dogs.

I served several terms on the GRCA Board of Directors including President and Eastern Vice

President and recently joined the incredible Board of the Golden Retriever Foundation as their President.

It has been an honor to give back to the breed I love, to establish programs that enrich the lives of the dogs and their owners and to participate with two of my dogs in the Golden Retriever Lifetime Study.

## Mary Beth Konesky

My journey with Golden Retrievers began in 1988 when I brought home "Beaut" to join our growing family. In 1996 I purchased my first show dog, "Angel" from Chris Weeks, "Edgehill".

The focus of my breeding program, "Chestnut" has always been breed standard, structure, movement and health. Even though at the time I did not compete in performance work, I always had a keen interest in the functionality of a Golden bred to do his job.

In the years following, I became an AKC Breeder of Merit. I volunteered with the GRCA as the National Health clinics Coordinator. I have held a number of different roles within my local breed club. I am the very proud owner of "AJ", #1 Golden in 2021, sired

by Albert, #1 in Canada 2016, who I bred. I am involved with the GRLS study having 2 dogs enrolled in the study, Albert, #2737 and Edith, #2907. In 2021 AJ and I began our journey into the world of performance. It quickly became our passion.

I am grateful and very honored to be part of the CCA event at this year's National Specialty. Thank you for this incredible opportunity.

# CCA EVALUATORS – BIG E

## Mustafa El Khorchi

I was born in and around dogs and Arabian horses my whole life. At age 16 I began training dogs with the Police department doing training in attack and defense. When I met my wife, she already had 4 goldens and 4 labs and I realized that my true passion was training retrievers. This is also when my wife and I founded Leongolden, our kennel and animal resort. Working with just about every breed I realized that my passion was truly working with retrievers, and we began really focusing on Golden Retrievers.

Over the years we had become professional handlers showing Golden Retrievers and Labrador Retrievers with multiple group one and group two wins back in Italy, and we continue to show our own dogs up to this day. Once we had our focus set on Golden Retrievers we began working with some of the best Golden Retriever breeders and judges in the world to the point where we even had our dogs showing at the world dog show in Denmark, Austria and Milan. Being in Italy we began flying to the US with our dogs to compete in the National Specialties as that was the next frontier for our passion and life. In 2013 we moved to Florida with our entire family and all of our dogs. After a lot of hard work and determination our dog Andy became Golden #2 in the entire country and #10 in the sporting group. On top of this he also won BOW at the 2016 National in California and won the 2019 history making sporting group at Royal Canine in Orlando which is the first time a Golden had ever won the National sporting group. While last year our dog Boss was Golden number 5 in the country, and he was the Golden Show of the year in Florida. On top of this we are members and supporters of many kennel clubs in the country.

## Ellen Hardin

Thank you for the invitation to be an evaluator for the CCA at this year's National Specialty; I am very honored. Although I had to wait until I finished graduate school to get my first dog, I have been involved with the sport of purebred dogs ever grad school. My late husband, Jim, and I bred our first litter of Ariell Golden Retrievers in 1984, and since then, have produced dogs successful in breed, obedience, field,

agility, tracking and therapy work. While serving as the AKC delegate for the Golden Retriever Club of America for the past 14 years, I have also pursued judging and am approved to judge Golden Retrievers, Curly-Coated Retrievers, Flat-Coated Retrievers, Nova Scotia Duck Tolling Retrievers and German Shorthair Pointers, and provisional for Labrador Retrievers and Weimaraners.

Currently I am running a ninth-generation homebred amateur-trained UD bitch in Master hunt tests. The ideal gun dog must have proper structure and movement, combined with a sound temperament; birdiness, biddability and the drive to work complete the package!

Best wishes to all competitors for a memorable National.

## Patrice Loves

I obtained my first Golden Retriever in the late 1970's. My husband wanted a dog for duck hunting, so we purchased Libby from the local pet store. I took her to obedience classes, and she obtained her CD while my husband trained her for field. Libby obtained her WC & WCX, and we ran her in gun dog stakes at field trials. She was a phenomenal retriever.

A few years later, I wanted a "pretty" Golden and had met Su-Ann Brown, Eaton's Eastshore Goldens, and she became my first mentor. My first "conformation" golden was Eaton's Eastshore Highlight. Tegan was mostly English lines and unfortunately, I was never able to point her, but I did obtain her WCX. I loved the English type and acquired a few more dogs through the years from Susan Brown-Leger, Synergold. But a conformation Championship was

not in the cards. I began to do more obedience, competing in Gaines and obtaining a Utility title.

Still wanting a "show" dog I obtained my "American" foundation bitch from Sandy McDowell Dunn, Tangleloft, in 1991 and she became my first Champion, CH Tangleloft Highlight's Whim CD, CGC. Through the years I have produced Top 20 Qualifiers, Outstanding Dams, Hall of Fame dogs in Conformation and Agility and finished a CH from bred-by exhibitor (Highlight Kennel).

I decided to apply for my AKC judging license in 2017. To date, I am approved for Golden Retrievers and provisional for Labrador Retrievers, Chesapeake Bay Retrievers and Junior Showmanship. In the near future, I hope to apply for the rest of the Retrievers. Judging has provided many opportunities to travel, meet people and see our wonderful breed all over the world. I am honored for this opportunity.

## Jennifer Masterson

My love for Golden Retrievers began in 1966/67 when my mother gifted my father with a Golden Retriever puppy for his hunting companion. She was a medium golden color, very different for the time. I spent hours sitting on the fence watching my dad train Missy, marveling at her retrieving over and over.

In 1986 I purchased my own Golden, competed in conformation with her as well as trained and titled her with a JH and CD. My commitment to the multi-purpose diversity of our beautiful breed has stayed with me for my lifetime. I have bred 70+ AKC champions, as well as have bred Golden Retrievers who have competed successfully in Agility, Obedience,

Tracking, Rally and Scent work. I have bred dogs who have earned HIT, SDHF, OS and OD. Highlight was being the breeder/owner of the GRCA National Specialty WB/BOW in 1996...Ch Masters Catalyst Jitterbug.

GRCA CCA (Cat 2) Evaluator since 2013. Evaluated at the 2019 GRCA National Specialty CCA, and have also evaluated at CCA's held by GRC of Greater St Louis and NORCAL GRC.

## Susan Foster

In 1978, my husband and I purchased our first golden retriever, Tawney. Her pedigree was based on Ruth Worrest's High Farm Kennels. I showed her in conformation and obedience. Though I am not sure how, she did earn her CD and was a great companion for our 4 children.

With Devon, a puppy from her first litter, I got involved with WC/WCX tests in 1982. In 1985, we ran in one of the first AKC Hunt Tests in VT. That JH test included 5 series over two days! Devon went on to earn his WCX/JH titles. I continued competing in field with my dogs and

also became licensed to judge WC/WCX and Junior Hunt Tests.

I also have owned and bred several specialty winners including a dog who earned BIS/BISS/CH/JH/WC/OS/SDHF and ranked in the Top Twenty. As an amateur handler showing for friends, I finished five Flatcoats and won BOB at the Chessie National with a bitch special.

My friend, Joan Puglia, and I co-founded the Yankee Golden Retriever Rescue, which led the way for many rescue programs across the nation.

I have been a member of the GRCA and Yankee Golden Retriever Club since 1978 and served as president of YGRC for four years. In 2011, I earned my license to judge goldens and have had the pleasure of judging many specialties including the 2016 National.

As a CCA evaluator, I have the opportunity to help owners to understand the fundamentals of the breed standard and its importance to the heritage of the breed.

It is my great privilege and honor to be judging the 2024 National CCA.

## Patricia Flanagan

I have been exhibiting show dogs for over 43 years starting first with an Irish Setter. In the mid 80's I became interested in the Skye Terrier which became the beginning of Traeloch. During the early 90's I began to professionally handle Golden Retrievers who quickly stole my heart! I was offered the opportunity to co-own a puppy bitch from a breeding done by Kay Gosling of Gosling Goldens Retrievers. This puppy bitch became Ch. Gosling's I'll Do It My Way OD BISS BVIS and better known to all as "Frankie" my foundation bitch. Frankie gave me a wonderful legacy to build on with many successful offspring to the credit of Traeloch Goldens not only in conformation but the performance arena as well.

I have been past President of the Northeastern New York Golden Retriever Club, past Vice President & co-founder of the Appalachian Golden Retriever Club of West Virginia and a past member of the Cuyahoga Valley Golden Retriever Club for whom I was the Specialty Chair for their June Specialties for 4 years. I am currently a member of the Greater Pittsburgh Golden Retriever Club and am the specialty chair for the June specialties. I am also the Liaison and chair of the GRCA Breeder Education Committee and a Central Regional Director along with being the co-Liaison for the National Specialty Committee.

In 2015 I applied to AKC to judge both Skye Terriers and Golden Retrievers. I enjoy mentoring newcomers to the breeds I love and have found that evaluating CCA events is also a way to help people understand the standard of the Golden. I had the opportunity to judge the CCA at the 2018 National in Missouri, the National in Ocala in 2021 and would like to thank the GRCA once again for the opportunity to judge the CCA at the 2024 National.

## AGILITY JUDGES

### Ronda Bermke

#### Standard, Time-2-Beat

Canines and the sport of pure-bred dogs have always been a big part of my life. I grew up participating in dog events with my mother and, with the exception of college life, have never been without a dog.

My very first AKC licensed show was in 1979 with my Shetland Sheepdog. Since then I have "grown up" and established my own kennel, White Ridge, located just outside of Green Bay, WI.

I am married to Rob and we have one son, Sam. Currently we share our home with one Standard Longhaired Dachshund and three Border Collies. I am involved and titled my dogs in multiple AKC venues,

including conformation, agility, obedience, rally, scent, and earthdog work.

In 2011 I became an AKC agility judge and soon followed with my junior showmanship license, rally license and conformation license to judge some hound, working and herding breeds. I appreciate and delight in watching each and every team that steps to the start line in the agility ring. Best of luck to you!!

### Morgan Carleton

#### Jumpers, Fast

I have always wanted to be involved in dog sports, I remember NEVER missing Westminster dog show on TV. I would tell my mom "I'm gonna be there one day!"...well I am lucky enough to say that I have competed in agility (2016) with my Novice A dog SynCity a Mini American Shepherd and in conformation (2021) with my Border Collie Shift. My first taste of dog sports was showing Great Danes in the breed ring when I was 16 and I haven't looked back. When I got Syn I was introduced to agility, and it's been my passion ever since.

I currently run a very enthusiastic English Springer Spaniel Weiser who has definitely made me rethink and love the game more. I became an agility judge last year and am thankful and honored to be stepping in for Elane this year.

# FIELD TRIAL JUDGES

## Connie Cleveland- Nolan, Derby

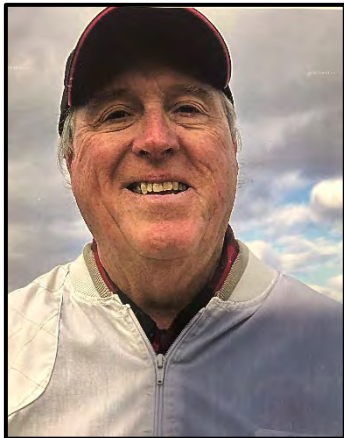

I don't remember life before dogs and dog training. My mother, Betty Drobac, showed dogs before me. She introduced me to junior showmanship, conformation, obedience, tracking and field trials.

In High School, I worked for Jackie Mertens at Topbrass Goldens. She was instrumental in the success I had with the first Golden I ran in field trials - Ch. Cimaron's Dusty Dawn UDTX\*\*\*. Jackie bred both my titled goldens - FC AFC OTCH Topbrass Ascending Elijah, and AFC OTCH Topbrass Caleb.

Today I participate in both field trials and obedience trials. The two activities offer very different challenges. I enjoy teaching my dogs

to be obedient in the field, when their instincts would have it otherwise, as well as motivating many of those same dogs to enjoy the obedience routines that are not instinctively motivating.

It is always an honor and a privilege to judge a field trial, and I am looking forward to judging this year's National Specialty Derby Stake.

## Glen Golden Derby

I have been involved with retrievers for over 36 years. I first started out by just having a labrador because they are a good family dog. Then I learned about hunt tests and it seemed interesting so I tried some of the test. One day I watched the field trial and knew I wanted to try my hand at it. Ever since I always train for fields. But remember all dogs are trained the same way whether it be for hunting hunt test or fields.

I've had three dogs that were all age qualified. Also lucky to have a amateur field champion. Johnny handsome which was my best dog of all time. Raised on my father's farm and worked many years. Also I'm an army veteran. I enjoy training

more than trialing which I think everyone does. I've had numerous judging assignments and enjoyed all of them. Whether it be derby or qualifying or amateur or open steaks.

Good luck to all and may everybody have fun this October.

goldens. Good luck to all.

## **Connie Dresser Amateur Stake**

Thank you for the honor of judging the 2024 GRCA Specialty. My husband Richard and I became addicted to the field trial sport with our first golden at a WC test in 1972. I gained experience as an assistant in obedience classes, tracking and temperament testing the working dog for schuzhund training. Our focus turned completely to field trialing with our next field dog AFC Huntrail's Wailin Willie and ATCH Goldbriar's Wailin Willie. Goldbriar's All the Way Mae is a GRCA outstanding dam. Currently I am running my female black lab CNFC FTCH AFTCH Flint River's Thrifty Shades of Blue.

I appreciate the dedication of the GRCA organization and all volunteers. I love the

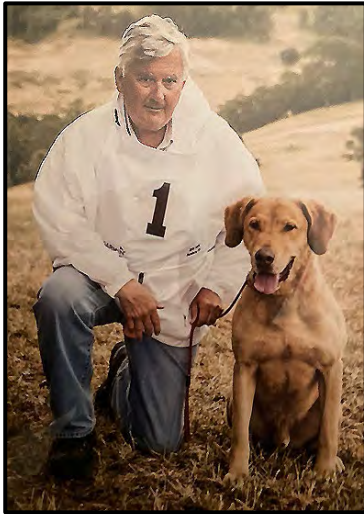

## **Chad Worsell Amateur Stake**

I grew up with Labrador's since a very young age. Always playing with them and enjoying outdoor activities. Soon after college, I purchased Buck, my first hunting dog. Buck went on to pick up many birds & compete in AKC Hunt Tests. He was a GRHRCH, and passed two Master Nationals.

I then transitioned to Field Trials and currently have three dogs running in the AA stakes, two of which have qualified for Nationals. Training and competing with my dogs has been one of the most enjoyable experiences of my life, meeting many great people along the way!

Good luck to you all this week.

## **Tim Carrion Qualifying Stake**

Thank you GRCA for inviting me to judge the 2024 Golden Retriever Field Trial Specialty. Having participated in numerous field trial specialties as a handler, committee member and breed club president I am aware of the importance of a national specialty and the work involved in these events.

My involvement in retriever field trials started as a child, going to trials and helping my father train. When I wanted to handle a dog in a trial, I was told I first had to train one. At age 11 I got a Chesapeake puppy and nine months later we placed fourth in our first Derby. I was hooked, and have remained involved in field trials for sixty years: training,

competing and judging nationwide.

For the past seven years I have been an AKC Delegate and have been elected to serve on the Delegate Standing Committee for Field Trials and Hunt Test.

Good luck to everyone competing in this Specialty and many thanks to those who work to make it successful.

## **Grace Mondrosch Qualifying Stake**

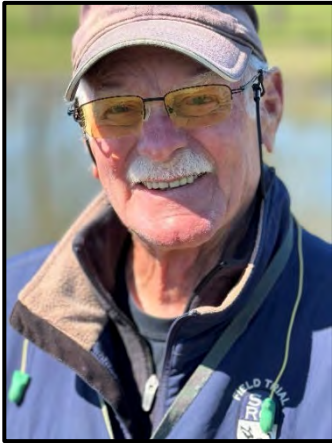

My lifelong journey with goldens began when I purchased my first golden from Jackie Mertens in 1979. This led to decades of breeding goldens under the Trifecta prefix.

We produced dogs that achieved NAHRA Grand Master titles, AKC MH titles, QAA titles, and many obedience titles as well. Our personal dogs always did well at our Golden Specialty and many of the trophies have their names inscribed on them. Our Trifecta's Bet

On Me is one of only 4 dogs to win both the Open and Amateur stake at the GRCA Nationals.

I very much enjoy the training of retrievers for field work. I have become friends with other like-minded folks from all over America and Canada thru this wonderful hobby.

Goldens rock, and I'm so glad we have taken this rewarding journey together.

## **Roy Morejon**

### **Open All-Age Stake**

I was born and brought up in Coastal New England. My family grew up living off the land. Hence, my interest in hunting waterfowl and fishing along the coastal shores of Long Island Sound. My outdoor passion led to careers as a wildlife biologist and as a State/Federal Conservation Officer.

I acquired my first retriever at a very young age at which time my love for these dogs was born. I have subsequently owned and trained numerous retrievers (including one golden). Working and training field retrievers has developed into a life's passion. I have placed 12 field titles on 5 dogs along with finishing 5 Nationals. I feel I am often heard

quoting "what would life be without a dog."

I want to thank you all for inviting me to judge and to thoroughly enjoy this year's Specialty. Having judged numerous trials both National and local, my experiences tell me the Golden Retriever Specialty will be great. My co-judge and I hope to provide challenging tests that in the end thoroughly test each participant's abilities. Let's have fun and the best of luck to all!

## **Tim Mueller**

### **Open All-Age Stake**

To make a long story short, after college, I started working construction in Vermont. That was followed by my wife and me getting into building and operating resorts in the Virgin Islands and subsequently ski resorts in Vermont, New Hampshire and Colorado. We are now retired living in NH.

I have owned dogs all of my life, but started training them for hunting, hunt tests and, soon thereafter, Field Trials, in the early 90's. I found out that training and competing with dogs can be just as unpredictable as working in a weather

dependent business, where you never know what is going to happen. My first two dogs were Golden's, which, since I was new to the sport and did not have any training myself, I never knew who was training who. Since then, I have owned and competed with 9 dogs, 3 of which are presently less than 3 yrs. old. I have had some success, and as we all experience, a fair amount of disappointment as well, but competing remains a passion.

My other outdoor interests are hunting and fishing. I do a variety of hunting and fishing activities, but my favorites are bow hunting for elk and deep sea fishing for billfish!! You may notice that my dogs' names all relate to fishing in some manner.

I am proud to have been selected to be a judge in this year's Golden Specialty. I take this honor very seriously and I look forward to working with everyone, and trying hard to bring out the best in all of the dogs and handlers that are competing in this the great event!!

# HUNT TEST JUDGES

## Sally Koepke Master Stake

I've always loved retrievers and the outdoors so getting into the hunt test game was a natural. I started in 1986 with my golden retrievers and labs participating in both hunt test, field trails, and even some upland hunting competitions. Nothing gives me more pleasure than watching a retriever do what they were bred to do. I'm amazed and in awe of what these magnificent canines can learn and accomplish. They enrich our lives so much.

Participating as a judge and a handler has taken me all over the country. I've enjoyed setting up and running hunt tests on so many different and beautiful grounds, watched and judged some talented retrievers and met fellow enthusiasts. Many of which have become lifelong friends.

My goal as a 2024 judge is to participate in setting up challenging, safe, and fair tests that meet the Master Hunter standard. I hope everyone has a wonderful time.

## Larry Blasbalg Master Stake

I have been hunting and training my dogs for most of my adult life. I am an avid Upland Bird hunter and have done my fair share of Waterfowl hunting. I grew up in RI, now retired, I have relocated in North Central Maine living on 80 pristine acres of training and hunting property we call home.

I have been actively involved as an amateur in the AKC and HRC Hunt Test Programs. I have run countless weekend tests at all levels as well the Master National and Master Amateur Invitational. My Retrievers have enjoyed great success over the years and I am forever grateful and humbled to have had them by my side.

I have also been very actively involved in my local Hunt Clubs and held several Board positions and recently served as the Eastern Regional Vice President of the Master Amateur Retriever Club. I have also been an active AKC and HRC Judge at all levels.

I love all dogs, just a few people and can't imagine life without a dog. I am so thankful for the people I have met and the places my dogs have taken me. I am honored to be asked and graciously accept the opportunity to Judge the Golden Retriever Specialty.

I am looking forward to the experience and having a lot of fun watching your dog's work.

## **Mark Frederick** **Master Stake**

I am honored to have been asked to judge the 2024 Golden Retriever National Specialty. For me the dog journey began as a young boy following my grandfather and my father as they followed wide ranging pointers in Alabama. The love of watching a good dog work never left me, nor did the appreciation for the process of bringing out the potential in these wonderful animals.

Back then I never dreamed that I would one day be training retrievers and competing with them both at the local and the national level and I certainly didn't dream that I would be judging anything, much less a National Event.

Times have changed but my love for the dogs and training them has not. As you can see from my profile picture, my joy comes from their joy at doing what they love! Look forward to seeing you in October.

## **Joe Romanczak** **Master Stake**

Thank you for asking me to judge the Golden Retriever National Specialty Hunt Test.

Dogs have always been a part of my life from my early years running beagles, to Irish setters, and finally Labrador retrievers. My first Lab and I became good hunting buddies and hunt test competitors. We moved to southeast Pennsylvania with access to state of the art training grounds. As I grew in experience, a very special Lab puppy joined our family and she proved to be an exceptional competitor, gun dog, and loving pet.

About 10 years ago, I was encouraged to

become a Hunt test judge.

My dogs have qualified for the MARC and the Master National competitions. Dogs have become a huge part of my life.

## **Rich Ellis** **Senior Stake**

Lynn and I are honored and looking forward to judging the GRCA event this fall. I really enjoy judging around the country and getting to meet new people and make new friends. A little history about me: I started in the dog world with pointing dogs and slowly transitioned to retrievers. In the past twenty years I have trained multiple hunting dogs and multiple field trial dogs. I am a true amateur and I know the time and hard work that goes into training these dogs. I like to set up tests that are fair to the dogs and hopefully enjoyable for the handlers. Please take time during the event to thank the people working behind the scenes. They put in a lot of time and hard work and without their efforts we could not enjoy these events. The best of luck to all of you.

## **John Dawber** **Senior Stake**

It is both a distinct honor and privilege to be asked to Judge the 2024 Golden Retriever Club of America National Specialty. Congratulations to all the teams that worked so hard to get here for this prestigious event. I look forward to seeing some of the very best dog and handler teams in the sport demonstrating excellence in their attempt to earn a ribbon! I hope you all enjoy the experience. Please take a little time out of your busy week to thank all the workers and people behind the scenes for all their hard work. Without them we could not enjoy such an event.

I spent a lot of weekends at my grandparents' farm where hunting and fishing was part of what I did. My grandfather had beagles, so we did a lot of rabbit

hunting. As I got older, I started to hunt big game and waterfowl. I later became friends with Barry Bellemare who instilled in me the importance of having a well-trained dog in the waterfowl blind. So, I got a Labrador and started to run hunt tests as a way to test how well my dogs are trained. I have run dogs at all hunt test levels in both the US and Canada. I have qualified dogs at the Master National, Master Amateur and Canadian National Master. I have qualified one MNH, Dandeseq's The Dude Don't Dance (Dude).

My judging philosophy is to set up fair and straight up tests with well-placed birds, no tricks or gimmicks. I enjoy watching the teamwork of a handler and their dog. I find it amazing what we ask of these animals and what they are able to accomplish.

My wife, Karen, has been a big supporter in allowing me to play this dog game. She has been my inspiration and strength for 40 years. We have one child and two granddaughters who hopefully one day will be playing the game.

Congratulations to all of the participants; I wish you the best of luck. I am looking forward to seeing old friends and making new ones. See you at the line!

## **Kim Frederick Junior Stake**

My name is Kim Frederick. My husband Mark introduced me to dog training over 10 years ago when he started competing with his first hunt test dog, a black lab named Rip. I am always amazed at the tenacity, work ethic, kindness, intelligence and willingness to achieve when trained correctly. My

goal in training young dogs is to maintain their enthusiasm and always make sure they understand what the desired outcome is. Things I have learned from training is that 1)ending on a positive note isn't always possible-sometimes the training session just needs to end before frustration ensues 2) read and listen to effective trainers with tons of experience3)always have a plan.

Thank you for letting me judge these glorious animals. It is a treat and honor to be here. Can't wait to say "Dog to the line" for your team. Good luck!

## **Lynn Ellis Junior Stake**

First, I would like to thank you for asking me to judge at your event. I am looking forward to the experience. I have shared my home with dogs since I was an infant, my first dog being a Irish Setter/Golden Retriever cross. I had several labs growing up. I grew up hunting and fishing with my dad and continue to enjoy these outdoor activities with my husband. It took me twenty some years to talk my husband into getting a lab. We have been involved with Hunting Tests and Field Trials since we got our first lab in 2006. We've trained three Master Hunters and three QA2 dogs. Our first dog had all age points and our two year old just started running all age last fall, getting a jam in his second trial. I started judging Juniors to give back to the sport and help out my clubs. I like judging Juniors because I enjoy the young dogs and new handlers just getting into the

sport. I am hoping this event will be enjoyed by myself and all the handlers and their dogs.

## **Carolyn Kurth Junior Stake**

I am thrilled and honored to be Judging the JH for the GRCA's National Specialty. I was introduced to the world of Tollers and Dog Sports in August of 2006 when our daughter, Rochelle (Shelly), brought Daphne home and into our lives. I was just "mom", witnessing Shelly and Daphne's bond and attending all of their events. I quickly fell in love with the breed and all of the sports retrievers are capable of! We have since been home to Pinky, Noble, Allie, Coach, Ginny, Emma, Lucy & Auggie (Hawks Nest Kennel). Shelly and I have breeder/owner trained and handled all of our Tollers to many titles in field, conformation, agility, obedience and rally in the AKC, UKC, CKC, NSDTRC (USA) and NSDTRC-Canada programs.

I have served as an Event Chair, Secretary, Treasurer and Committee Member for numerous events over the last fifteen years. I am currently the Treasurer for

multiple retriever organizations, and I am an AKC licensed Judge. My dedication to public service allows me to give back to the sport and the greater retriever community – and I absolutely love watching new teams grow, developing and strengthening their bonds as they work towards their training goals.

## **Dawn Romanczak Junior Stake**

Thank you for the honor of judging at the Golden Retriever National Specialty Hunt Test.

Dogs have been a part of my life since 1971 when we welcomed an Irish setter puppy into our lives. I started at the very beginning of the dog owner learning curve. Subsequent dogs included: a couple more Setters, a mix, a few boxers, and finally Labs .

Sharing my life with dogs, led to attending many obedience classes, co-leading a 4-H dog club, supporting our daughter at 4-H and AKC dog shows, competing in obedience, becoming a CGC evaluator, and eventually training for, running in, and judging Hunt Tests.

Did I say that dogs have been part of my life? More accurately, they have taken over my life, and I wouldn't change a minute of it.

# WC/WCX JUDGES

## Carmen Kuegler, WCX

I want to say that I am honored and privileged to have been selected as a judge for the 2024 GRCA Specialty. My journey with Golden Retrievers began in 2001 when we bought our first Golden as a family pet. Inspired by her passion to retrieve, we soon began to dive into the world of European field work. After moving to the US, I started to train my Golden Retrievers to be successful in Hunt Tests. Since then, I have had four Master Hunters and handled all of them at multiple Master Amateur Retriever Club Invitationals. My dog Chester earned his title Master Amateur Retriever in 2021.

I am a licensed AKC hunt test judge and have judged multiple hunt tests over the last few years. My judging philosophy focuses on setting up fair tests, while allowing those running to have some fun with their dogs.

## Claudia Norton, WCX

I enjoy outdoor activities, especially activities with my retriever.

Our first family dog had been a golden retriever growing up with my young children. The breeder purchase agreement included obedience training class. We went on to earn a UD together!

A new retriever joins my home every 8 to 10 years when my existing dog suggests rest be built into his exercise schedule. This is time for my dog to take on a new role as the honored puppy mentor.

I continue my full-time career in pharmaceutical research while enjoying my amateur retriever training which has involved 4 retrievers (3 golden, 1 labrador). Together we explored and participated in tracking, agility, obedience, hunt test and field trials having achieved: obedience UD, MH dogs, qualified

to attend the Master National, QA2 dogs, Derby list, and most recently am proud to share earned All-Age placement!

It will be a pleasure to be part of the 2024 National Golden Retriever event and observe dogs running in the field doing what they enjoy and comes naturally.

Enjoy the journey and thrill in every accomplishment along the way!

## **Paula and Marshall Richard, WCX**

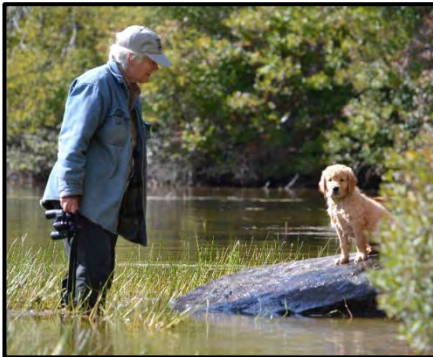

We have owned Golden Retrievers since 1979. They have been great companions and wonderful upland hunters. Our first dog was a golden puppy that we got from an animal shelter. This shelter puppy is the reason we fell in love with the breed. We then moved on to owning a few "newspaper" goldens.

In 2000, we got our first well bred field dog...Star. As our previous dogs, we got

her as a hunting companion, but we wanted to give field events a try. After being successful in WC and WCX, we were hooked. We moved on to running in hunt tests and field trials. After she successfully got her Master Hunter title, we ran field trials and she became Qualified All Age. Since Star, we have gotten a few more nicely bred and talented goldens that have achieved QAA and QA2 status. In 2017, we were blessed to win the open with our boy, Dillon at the Golden Retriever specialty.

It's been quite a journey and we have met many wonderful people along the way.

Marshall has judged field trials, hunt tests and WC/X. Paula has judged sanction trials and WC/X.

## **Virginia Goetz WC Land**

Barb Biewer gave me my first Golden, Sunfire's Sweet Mischief SH, CD WCX Can CD WCX, in 1981 and introduced me to field training through Southern Berkshire GRC. Our Otterbrook dogs ran gundog stakes which became hunt tests and sanctioned trials which eventually led to licensed field trials, and through the years they attained numerous AKC and/or NAHRA, GRCA, agility

and obedience titles.

I've met wonderful people over the years through training, competing and being an active member of SBGRC and Shoreline Retriever Club.. I'm looking forward to meeting people at this Specialty who are possibly just beginning their trialing experience. Good luck and more importantly... have fun with your dogs.

## **Joanne Mambrino WC Land**

My introduction to field work was in the early 1980's with my first golden retriever, Magic. I had never attended any type of field event and decided to see what it involved. So, I signed up for a field training day being put on by a local club, Southern Berkshire Golden Retriever Club. I can still remember watching Magic retrieve his first bird solely on his inbred instinct, it was an inspirational moment for me.

Over the past 40 years my goldens and I have gone on to train, successfully compete, and title in many performance events. I have had the pleasure of judging AKC Hunt Tests from Junior to Masters stakes and many

WC/WCX tests.

I wish to say to each team Best of Luck and have FUN. And always remember to "Wait for your number to be called".

## **Kathy and Warren Frizzell WC Land**

Kathy and I have had Goldens our entire married life, 36 years and counting. We have competed and titled our dogs in obedience, rally, agility, field trials, hunt tests, and even an occasional trip around the conformation ring. What we enjoy the most is being outside in the field with our dogs, whether its training, competing, or hunting. We look forward to seeing you at the Working Certificate tests at the 2024 GRCA

National Specialty. We are honored to be judges for the WC Land portion of the tests. We wish all of you the best of luck at this year's National Specialty in whatever endeavors you choose to participate. Above all, have fun with your dogs!

## Jack Belicka WC Water

I am honored that I have been selected to judge the GRCA WC 2024 Test.

I have owned and trained Golden Retrievers for most of my adult life. As a young duck hunter, I wanted to improve my duck dog's training ability, so I joined several AKC Hunt Test clubs. At that point, I was hooked on the sport of AKC & HRC Hunt Tests.

Over time, I've subsequently trained, handled and AKC titled 7 of my Goldens to a finished Master Hunter title. Two have taken me to 5 Master Amateur Hunt Tests putting them both in the GRCA & MARC's Hall of Fame.

I've been judging for over 26 years for AKC Hunt tests ... Jr, Sr & Master. My running and/or judging has taken me

from Maine to Georgia, Connecticut to Montana and Texas where I judged the Master National Hunt Test. I've also judged several WC WCX tests for the GRCA.

My judging philosophy has always been to set fair tests, no tricks and ... the tie always goes to the dog.

## Frank McKane WC Water

Over the past 25 years, I have taught more than 4000 dogs ranging from basic manners to advanced field work. But after all my dog encounters I developed a special affinity for golden retrievers. Today I have the rare distinction to be referred to as breeder - owner - trainer - handler of my own golden crew.

I regularly run my dogs in AKC and GRCA Field events. And currently have three goldens qualified for the GRCA Hunt Test Hall of Fame.

Knowing how much effort is necessary to produce a great field dog, I appreciate watching good dog work while I judge. Now I look forward to judging the WC at

the Golden Retriever National Specialty.

# TRACKING JUDGES

## Ray Desmarais

Ray Desmarais is a Golden Retriever breeder of more than 30 years with an emphasis on multipurpose Golden Retrievers that are accomplished in conformation, obedience, agility, tracking and field.

Ray has earned 13 tracking titles including five Champion Trackers and has been judging for over 20 years.

If Ray isn't judging a tracking event you may see him at the draw as an exhibitor or at the start line at an agility trial. Ray is the tracking chair for the Yankee Golden Retriever Club.

Other interests when not playing with dogs are swimming, running, gardening, skiing and woodworking.

## Stephanie Crawford

I started training in 1983 in Obedience as this was the only thing available in Miami, FL besides conformation.

As life has gone on and the things we can do with our dogs has increased I have trained and shown in Conformation, Rally, Agility, Tracking, Barnhunt, and Scentwork. Each one has its own glamour for a team. I judge all levels of Tracking and Scentwork for AKC and have enjoyed awarding titles to many teams over the years. I have presented workshops on Tracking and Scent and worked with many successful teams. Thinking about odor is second nature to me now.

I began learning Tracking in 1991 after we had moved to Binghamton, NY and I got a new Rottweiler puppy. My first instructor was a canine officer. Once I was introduced to the sport and met more people who knew about things like AKC tests and titles, I joined Hudson Valley Tracking Club. I met a host of experienced people

who helped me expand my knowledge and convinced me to judge. It has been a long love affair. The people in the sport all over the country are great people. It is a privilege to judge each test and apply the requirements to any terrain presented to use.

As I continue to track and train Scent Work the opportunity to explore odor and its fickle ways continues to be a fascination. I am currently training my 6 year old Rottweiler and my 1 year old Staffordshire Bull Terrier in Tracking and Scent Work.

# SCENT WORK JUDGES

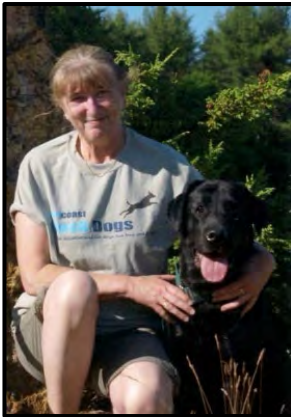

## Jennifer Anderson

I have 35+ years of experience in canine training, grew up in Hudson Valley, New York and reside in Rhode Island. I also work in Applied Scent Theory, Forensics and Animal Behavior and integrate these disciplines into my work with dogs and their owners as an AKC Scent Work Judge; Fetch and Farm Dog Judge, AKC Fit Dog and ATT Instructor, and Evaluator, Tracking and Trailing and Service Dog Training.

As a canine search specialist Trainer with the Rhode Island Search and Rescue Team and Disaster, Cadaver and Wilderness Instructor with the International Police Work Dog Association I've certified and deployed with 7 dogs since 2000 and currently work with 4 K9 partners, all Tollers.

I've enjoyed judging numerous AKC Scent Work trials throughout the United States and am incredibly fortunate to work with dogs and their owners to improve communication, physical skills and build engaged relationships.

## Rosemary Decie

My interest in scent work began in 2009 when my Lab Rhys and I started attending a scent class. From there we entered our first nose work trial in 2011 and continued trialing in various venues. As Rhys became older he could no longer compete in agility but scenting gave him the opportunity to stay busy. Attending trials and volunteering allowed me to learn more about this sport. It also increased my curiosity to learn more and attending seminars helped me to better understand odor complexity, although there is still more to learn.

I currently have 3 dogs, two Labs Chip and Pax and a border collie/whippet Milo. They compete in various dog sports: agility, scent, obedience, and hunt, which keep us active.

Thank you for having me judge your National Specialty.

## Theresa Marinier

My name is Theresa (Terri) Marinier and I am an AKC Scent Work judge originally from the Midwest. I am active in dog sports, teaching Scent Work, Obedience, Tracking, Man Trailing, Shed Hunting, Blood trailing, and for years training and Field Trialing/Hunt Tests for Pointers, Flushers and Retrievers. Presently I also train Schutzhund with my two Malinois. I started in Scent Work when it was a new and upcoming sport. Back when NACSW was writing their rules for instructors. It has been a great adventure and fun watching the sport grow and branch in many directions. I am very proud to have been invited to judge at the GRCA

National Specialty and wish all the teams Good Luck.

## James Helems

Jim Helems is the owner of Dog Pals Sports Camp. The camp is located on an off the grid homestead in Huntington Ma. Jim and his wife live in their berm home with their pups, Cooper, Pukka and Ripley. The Aussies and Tollers love hanging out with all of the homestead animals. Jim raises goats, pigs, sheep, ducks, turkeys, chickens and guinea hens.

Jim started training scent work at Dakin Humane Society around 2010 and fell in love with the sport. Jim wanted to expand from scent sports to Search and Rescue and in 2015 Cooper became a family member and became the first HRD dog at Berkshire Mountain

Search and Rescue which has now grown to 4 certified dogs and several in training.

Jim's life now revolves around dogs, teaching and raising livestock. He is certified as a Master PetTech First Aid Instructor, SAR K9 Trainer, CGC Evaluator, Animal Actor Evaluator, K9 Conditioning Coach and Certified Dog Trick Instructor

Jim judges scent work for NACSW, AKC, USCSS, CPE, PSD, ASCA and provisional for UKC. Also judges, Stunt Dog, AKC Farm Dog and Fetch.

## Liz Lynch

Liz, an experienced AKC scent work judge, embarked on her scent work journey in 2010, swiftly immersing herself in the world of canine olfaction. She was approved as an AKC scent work judge in 2018. Her experience as a competitor extends across four different scent work venues, and she is an approved judge for three scent work organizations, showcasing her breadth of knowledge and experience. Notably, she celebrated a triumph as one of her dogs overcame reactivity challenges to earn the SWM overall title, as well as champion-level titles in other organizations. While Liz primarily judges in New England, her passion has led her to adjudicate competitions in Colorado and Utah as well. For Liz, the true allure of judging lies in the relationship between the scientific intricacies of odor and the magical bond shared between humans and canines, a sentiment she cherishes dearly.

## OFFICIAL STANDARD FOR THE GOLDEN RETRIEVER

**General Appearance:** A symmetrical, powerful, active dog, sound and well put together, not clumsy nor long in the leg, displaying a kindly expression and possessing a personality that is eager, alert and self-confident. Primarily a hunting dog, he should be shown in hard working condition. Overall appearance, balance, gait and purpose to be given more emphasis than any of his component parts. Faults- Any departure from the described ideal shall be considered faulty to the degree to which it interferes with the breed's purpose or is contrary to breed character.

**Size, Proportion, Substance:** Males 23 to 24 inches in height at withers; females 21½ to 22½ inches. Dogs up to one inch above or below standard *size* should be proportionately penalized. Deviation in height of more than one inch from the standard shall disqualify. Length from breastbone to point of buttocks slightly greater than height at withers in ratio of 12:11. Weight for dogs 65 to 75 pounds; bitches 55 to 65 pounds.

**Head:** Broad in *skull*, slightly arched laterally and longitudinally without prominence of frontal bones (forehead) or occipital bones. Stop well defined but not abrupt. Foreface deep and wide, nearly as long as skull. **Muzzle** straight in profile, blending smooth and strongly into skull; when viewed in profile or from above, slightly deeper and wider at stop than at tip. No heaviness in flews. Removal of whiskers is permitted but not preferred. **Eyes** friendly and intelligent in expression, medium large with dark, close-fitting rims, set well apart and reasonably deep in sockets. Color preferably dark brown; medium brown acceptable. Slant eyes and narrow, triangular eyes detract from correct expression and are to be faulted. No white or haw visible when looking straight ahead. Dogs showing evidence of functional abnormality of eyelids or eyelashes (such as, but not limited to, trichiasis, entropion, ectropion, or distichiasis) are to be excused from the ring. **Ears** rather short with front edge attached well behind and just above the eye and falling close to cheek. When pulled forward, tip of ear should just cover the eye. Low, hound-like ear set to be faulted. Nose black or brownish black, though fading to a lighter shade in cold weather not serious. Pink nose or one seriously lacking in pigmentation to be faulted.

Teeth scissors **bite**, in which the outer side of the lower incisors touches the inner side of the upper incisors. Undershot or overshot bite is a disqualification. Misalignment of teeth (irregular placement of incisors) or a level bite (incisors meet each other edge to edge) is undesirable, but not to be confused with undershot or overshot. Full dentition. Obvious gaps are serious faults. **Neck, Topline, Body:** **Neck** medium long, merging gradually into well laid back shoulders, giving sturdy, muscular appearance. No throatiness. **Backline** strong and level from withers to slightly sloping croup, whether standing or moving. Sloping backline, roach or sway back, flat or steep croup to be faulted. **Body** well balanced, short coupled, deep through the chest. Chest between forelegs at least as wide as a man's closed hand including thumb, with well developed forechest. Brisket extends to elbow. Ribs long and well sprung but not barrel shaped, extending well towards hindquarters. Loin short, muscular, wide and deep, with very little tuck-up. Slab-sidedness, narrow chest, lack of depth in brisket, excessive tuck-up to be faulted. **Tail** well set on, thick and muscular at the base, following the natural line of the croup. Tail bones extend to, but not below, the point of hock. Carried with merry action, level or with some moderate upward curve; never curled over back nor between legs.

**Forequarters:** Muscular, well coordinated with hindquarters and capable of free movement. Shoulder blades long and well laid back with upper tips fairly close together at withers. Upper arms appear about the same length as the blades, setting the elbows back beneath the upper tip of the blades, close to the ribs without looseness. Legs, viewed from the front, straight with good bone, but not to the point of coarseness. Pasterns short and strong, sloping slightly with no suggestion of weakness. Dewclaws on forelegs may be removed, but are normally left on. Feet medium size, round, compact, and well knuckled, with thick pads. Excess hair may be trimmed to show natural size and contour. Splayed or hare feet to be faulted.

**Hindquarters:** Broad and strongly muscled. Profile of croup slopes slightly; the pelvic bone slopes at a slightly greater angle (approximately 30 degrees from horizontal). In a natural stance, the femur joins the pelvis at approximately a 90-degree angle; stifles well bent; hocks well let down with short, strong rear pasterns. Feet as in front. Legs straight when viewed from rear.

Cow-hocks, spread hocks, and sickle hocks to be faulted.

**Coat:** Dense and water-repellent with good undercoat. Outer coat firm and resilient, neither coarse nor silky, lying close to body; may be straight or wavy. Untrimmed natural ruff; moderate feathering on back of forelegs and on underbody; heavier feathering on front of neck, back of thighs and underside of tail. Coat on head, paws, and front of legs is short and even. Excessive length, open coats, and limp, soft coats are very undesirable. Feet may be trimmed and stray hairs neatened, but the natural appearance of coat or outline should not be altered by cutting or clipping.

**Color:** Rich, lustrous golden of various shades. Feathering may be lighter than rest of coat. With the exception of graying or whitening of face or body due to age, any white marking, other than a few white hairs on the chest, should be penalized according to its extent. Allowable light shadings are not to be confused with white markings. Predominant body color which is either extremely pale or extremely dark is undesirable. Some latitude should be given to the light puppy whose coloring shows promise of deepening with maturity. Any noticeable area of black or other off-color hair is a serious fault.

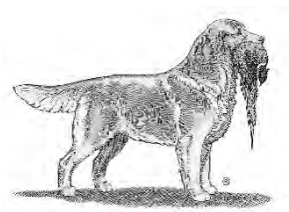

**Gait:** When trotting, gait is free, smooth, powerful and well-coordinated, showing good reach. Viewed from any position, legs turn neither in nor out, nor do feet cross or interfere with each other. As speed increases, feet tend to converge toward center line of balance. It is recommended that dogs be shown on a loose lead to reflect true gait.

**Temperament:** Friendly, reliable, and trustworthy. Quarrelsomeness or hostility towards other dogs or people in normal situations, or an unwarranted show of timidity or nervousness, is not in keeping with Golden Retriever character. Such actions should be penalized according to their significance.

**Disqualifications:** *Deviation in height of more than one inch from standard either way. Undershot or overshot bite.*

## TROPHIES

**This year's trophies feature many items from Kathy Hagerman.** Kathy is a well-known Canadian artist. Her unique style combines color and light, creating a mood that brings her subjects to life and draws the viewer right into her paintings.

Painting professionally since 1979, her love and admiration for the Golden Retriever is evident to everyone who views her work. "I feel that art expresses the emotion that people feel inside, and just watching a golden, whether in the show ring or playing, inspires me with endless ideas. I especially like to focus on the eyes; I feel their eyes are what brings a painting to life and tells a story. "Over the years, I have painted many beautiful, golden retrievers, and produced many high-quality Giclee' Prints depicting the versatility of the golden retriever breed. Therefore, I was honored to be asked this year to produce the trophies for the 2024 Golden Retriever National.

Good luck to all participants!

**Roger Kibbee has also created additional trophies for this year's National Specialty.** Roger formerly was the artist for Laura Rogers Designs. He is an award-winning wildlife artist; however, Kibbee is most known in the AKC dog show world for his outstanding canine art. All of his artwork begins with acrylic, watercolor or pen and ink, and the finished work is then used in screen printing or laser engraving on high quality garments, wood and gemstones. Currently, he offers designs for more than 120 AKC dog breeds.

**Saturday, October 12, 2024**

**Location: Breed Ring, The Big E**

Time: During the lunch break (approximately 12 noon)

Morris Animal Foundation's Golden Retriever Lifetime Study is a prospective, observational study that is following approximately 3000 golden retrievers, throughout their lifetimes, to identify the risk factors for cancer and other common diseases. ## ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future. This trial site will not be used for Scent training one week before the trial.

**Possession of Odors and Training.** Chapter 5. Section 26 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

**Spectator Area.** This will be left up to each judge.

**Crating space.** There will be designated crating areas, but be prepared to walk to search areas.

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

### Reactive dogs

**Chapter 3 Section 30. Special Accommodations for Certain Dogs.** Clubs are not to make special accommodations for certain dogs (such as dogs determined by their owners to be “reactive”). Clubs may not advertise a “red bandana” policy in Premium lists or printed materials or impose such a policy in the briefing.

## NOTES

# CONFORMATION

## **SWEEPSTAKES CLASSES INCLUDING VETERANS AND BEST IN SWEEPSTAKES**

**HANDLER:** The handler of a Sweepstakes exhibit must be either the owner, co-owner, breeder or member of their immediate family or legal domestic partner as they are listed on file with the American Kennel Club as of the closing date for the show for which the Sweepstakes entry is being made. Immediate family is defined as husband, wife, mother, father, brother, sister, son, daughter. Stepchildren and legal wards are also included in this definition. In-laws and grandchildren are not considered to be immediate family members. No other individual may take the entry into the ring during judging or check-in.

The following individuals are excluded from showing an exhibit in sweepstakes unless they are the **SOLE** owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner:

- Any individual listed as an agent on any dog in any regular or non-regular class.
- Any individual with an Agent number including, but not limited to an AKC Registered.
- Handler Number or Professional Handlers Association (PHA) number.

### **New Procedure for 2024 National Puppy and Veteran Sweeps Armband Pickup** **The rules for puppy, veteran and gundog sweeps have not changed.**

**• Anyone who did not send registration papers ahead of time must bring a copy to the armband table as they pick up their armband.**

- For those exhibitors that wish to use a runner, notify the ring steward before your class goes in the ring. A Professional handler may not act as a runner; their assistant may act as a runner.
- Ring stewards will not ‘police’ any entry before, during or following sweepstakes. Any protests will be directed to the armband table to talk with a board member (judging will not be delayed due to protests)
- If a handler who is not eligible handles a dog that wins a placement, that placement will be rescinded.

**BEST IN SWEEPSTAKES CLASSES.** It is required that the same person who showed the dog to a first place in a Sweepstakes class will also show the dog in the Best in Sweeps class. However, if that person should have more than one dog in the Best in Sweepstakes class, someone else is permitted to show the additional winner. That person should meet the handler definitions above. Only in cases where there is not another owner, co-owner, breeder or co-breeder, should another person take the dog into the Best in Sweeps class. It is understood that there would be no financial benefit to that individual.

### **PRIZE MONEY**

**Applies to each Individually: Sweepstakes, Veteran Sweepstakes, and Gun Dog Sweepstakes** After the host Club retains 35% of the entry fees of all classes to defray expenses, the remaining monies will be divided as follows:

Best in Each Sweepstakes .....	20%
Best of Opposite Sex to Best in Each Sweepstakes .....	15%
First place in each class .....	15%
Second place in each class .....	7.5%
Third place in each class .....	5%
Fourth place in each class .....	2.5%

### **VETERAN SWEEPSTAKES**

After the completion of the individual class judging, each of the six class winners shall be brought back to the ring for awarding of Best in Veteran Sweepstakes & Best of Opposite Sex to Best in Veteran Sweepstakes.

### **GUN DOG SWEEPSTAKES**

After the completion of the individual class judging, each of the ten class winners shall be brought back in the ring for the awarding of Best in Gun Dog Sweepstakes and Best of Opposite Sex in Best in Gun Dog Sweepstakes.

Welcome to the 2024 GRCA National Specialty Hunt Test. The Golden Retriever Club of America is a member of the Master National Retriever Club and Master Amateur Retriever Club. A specialty hunt test is a special event and requires the participation of volunteers, competitors and dogs from across the country. We thank them all for being part of this event in Sprakers, NY.

We wish to thank those who made this event possible through the generous use of their grounds - Ann and Ellis Ibbotson, Mimi and Frank Kearny, and Pam and Dave Graff. Please respect their properties and only drive on the roads or paths and park where indicated.

Please join in thanking our judges for their time and effort to travel here to evaluate our dogs. And of course we greatly appreciate the hard work of our marshals, gunners, bird throwers and the many other volunteers who contribute their time and effort to make this event run smoothly. We thank each of you.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
